PRESIDENT

RALPH C. WILSON, JR.**PRESIDENT****41st Year with Bills****Born October 17, 1918**

Bills President Ralph C. Wilson, Jr has been referred to as "the conscience of the NFL" by more than one publication in recent years. This accolade has never been more true than now as his Buffalo Bills head into the 2000 season. Those words also serve as a glowing tribute to one respected for speaking his mind, always in behalf of the sport and Wilson has enjoyed this reputation since coming into football more than four decades ago.

As the undeniable leader of the Bills, Wilson heads into his 41st season with the the winningest AFC team in the 1990s. He has seen many changes to the sport of football, the league and his franchise. But for all of the changes, some things remain indelibly intact, such as his commitment to leading the Bills to a Super Bowl title.

No year was as critical to keeping the club in the area in which he originated it than 1998 when the team and the community relied heavily on Wilson's leadership, guidance and expertise in reaching its \$11 million dollar goal to release state funds for stadium improvements to benefit the fans. While some franchises have sought lucrative deals in new locations or bargained for new elaborate stadiums, Wilson was able to mastermind a plan to keep the Bills in Western New York and completely renovate the existing stadium at a fraction of the cost to become one of the finest outdoor venues in the NFL. He was able to accomplish all of this, and at the same time, keep a championship-caliber team on the field.

For 41 years Wilson has led by example and kept the Buffalo Bills on a course for success while serving as an inspiration to his team, colleagues and, at times, opponents.

Wilson was the man responsible for reintroducing football to Western New York when, as one of the original owners in the American Football League, he formed the Buffalo Bills in 1960. Wilson continues to play a major role among NFL franchise owners by addressing some of the NFL's toughest obstacles as "the voice of reason," as one sportswriter has so aptly penned him.

Wilson was honored in 1999 by the Touchdown Club of New Orleans with the Pete Rozelle Award for outstanding contributions to the NFL and professional football. He was previously honored in April 1998 with one of the league's most prestigious awards, the NFL Alumni Association's "Order of the Leather Helmet." Membership in the order is reserved for those individuals making deep and lasting contributions to the game of professional football and the award was bestowed upon the Bills' President in recognition of his outstanding contributions over the past four decades to the sport. He loves so dearly. Additionally, Wilson was honored in 1996 with the Hubert H. Humphrey Award for humanitarian endeavor by the Touchdown Club of Washington, D.C. Mr. Wilson was a recipient of the Touchdown Club's "Timmie" Award for Outstanding Service to Professional Football the previous year.

For Wilson, football has been important since he was a young man and accompanied his father to University of Detroit and Detroit Lions games. "I was a big fan in the early part of my teens," he recalls. "I could see the interest developing in professional football in the days of Leon Hart, Bobby Layne and Doak Walker".

His enthusiasm for the intense sport led him to purchase a minority share in the NFL Detroit Lions and later join ranks with Lamar Hunt and the other six members of "The Foolish Club" in an ambitious, but risky venture known as the American Football League.

Of his early days in the AFL, Wilson says he "never thought about throwing in the towel, selling the team...there were times when I reminded myself that I used to pay five dollars for a ticket to the Lions' games and I enjoyed myself and had no headaches. I would ask myself what I was doing here."

In the beginning there was considerable skepticism regarding the AFL by members of the NFL and the media. "The Foolish Club" persevered however and, following initial talks in January of 1965 between Wilson and the late Carroll Rosenbloom, then owner of the Baltimore Colts, a merger with the long established National Football League was initiated.

As President of the AFL in 1965, he served on the Expansion Committee of that League and the AFL-NFL Negotiations Committee. He was also prominent in the negotiations which resulted in a 1977 agreement between the NFL Management Council and the NFL Players Association. In the past, he has served as Chairman of the NFL Pension Committee and was a member of the Labor Committee and currently serves on the Board of NFL Charities and the Super Bowl Site Selection Committee. His expertise in expansion has been utilized by the league again in recent years as Wilson is a valuable member of the NFL's Expansion Committee.

Over his 41 years as owner of the Bills, he has watched with great pride as two of his teams captured the American Football League Championship (1964-65) and more recent squads won American Football Conference titles in 1990, 1991, 1992 and 1993 on their way to an unprecedented four con-

secutive appearances in Super Bowls XXV-XXVIII.

Thirty-five of his players over this span have been Pro Bowl selections, including two who were voted the Pro Bowl's highest honor, Most Valuable Player.

An active supporter of community affairs in the Western New York area, Wilson quietly donated \$25,000 each to the food banks in Buffalo and Rochester during the holidays last year. He is also largely responsible for the Bills' strong relationship with Children's Hospital of Buffalo, The Ronald McDonald House, The United Way and Roswell Park Cancer Institute. In 1987 he established the Bills' Alumni Association and the Buffalo Bills Youth Foundation to benefit many charities in the Western New York region. Additionally, Wilson established a perpetual scholarship program at Canisius College for student athletes, beginning in 1995.

In a continuation of his interest and involvement in education, the Ralph C. Wilson, Jr. Educational Development Program Book Award fund, devoted to book scholarships at SUNY Fredonia for deserving EDP students, was established in the spring of 2000. Additionally, the Ralph C. Wilson, Jr. Academic Scholarship at Erie Community College was established a few years ago. He is also a strong contributor to the Erie County Sheriff's Department as well as numerous "grass roots" charities in Western New York, such as the Meals on Wheels program.

The Bills' President is also a major player on the national charitable scene through his many endeavors. He is a strong supporter of Hospice through fund raising and memorial gifts. He recently served as Honorary Chair for the Alzheimer's Association for the Detroit Area Chapter and is a major contributor to the Mayo Foundation for Medical Education and Research as well as the Cleveland Clinic Foundation. Though Wilson maintains a low profile in most of his charitable endeavors, one such effort for which he received a great deal of notoriety was his one million dollar pledge to the Miami Project to Cure Paralysis.

Closer to the team, Wilson has been an active contributor to such charities as the Doug Flutie, Jr. Foundation for Autism, Hunter's Hope, the Stephanie Spielman Breast Cancer Research Fund and the Bob Chandler Foundation.

COLLEGE/PERSONAL: Born in Columbus, Ohio, Ralph Wilson moved to Detroit with his family when he was a youngster. He graduated from the University of Virginia and later attended law school at the University of Michigan, before enlisting in the Navy during World War II. He earned his commission within a year and served aboard minesweepers in both the Atlantic and Pacific theaters.

In addition to his active role as President and Owner of the Bills, Wilson is Chairman of the Detroit-based Ralph C. Wilson, Jr. Enterprises, a diversified management and investment company with interests ranging from highway construction to the venture capital industry.

He maintains a permanent residence in Grosse Pointe Shores, Michigan with his wife, Mary. He has three daughters, two of whom are involved in team business. Linda Bogdan, the NFL's first woman scout, is the franchise's Corporate Vice President, while another daughter, Christy Wilson Hofmann, serves as a consultant in the area of merchandising.

HOBBIES/INTERESTS: He is an avid tennis player and fan of the game, as well as a sponsor of several U.S.T.A. tournaments around the country.

**EXECUTIVE VICE-PRESIDENT/GENERAL MANAGER****JOHN BUTLER****EXECUTIVE VICE PRESIDENT/
GENERAL MANAGER****16th Year in the NFL, 14th with Bills****Born August 13, 1946**

BILLS: John Butler has never wavered in his strive for the ultimate goal for the Buffalo Bills—to win the Super Bowl. His quest for the team to achieve the title of “World Champions” consumes the vast majority of his time and efforts. And he wouldn’t have it any other way. To say the goal of winning the Super Bowl is what drives John Butler is a gross understatement.

After being named Executive Vice President and General Manager on February 5, 1993, Butler wasted no time in directing the Bills to an unprecedented fourth consecutive trip to the Super Bowl during the 1993 season.

The Bills’ former Director of Player Personnel has always instilled an air of excitement and optimism to the general manager’s office with an even mixture of football knowledge and friendly personality.

His contributions to the Bills in the area of adding talent speak for themselves when you look at the players on the Buffalo roster who were selected since his first draft in 1988. A team’s success is often dependent upon the attributes of its top two or three draft choices from each season and this is certainly an area where the Bills have excelled under Butler’s guidance. In fact, since 1991, seven of the nine (not counting 2000) top selections are starting for the Bills, while the seventh, CB Jeff Burris, left via free agency and is a starter for the Colts, and the eighth, CB Thomas Smith, also left through free agency and starts for the Bears.

His first ever selection for Buffalo and his top choice in 1988 was his most notable when RB Thurman Thomas was selected as the team’s first choice that year in the second round after 27 other teams passed on him. Buffalo’s top choice in 1989 wasn’t until the third round when WR Don Beebe, who was a member of six Super Bowl teams, was selected. He looked to his alma mater for the Bills number one choice in 1991, a CB converted to safety named Henry Jones, who made the trip to the 1993 Pro Bowl in his first season as a starter. It also took John Fina only one season before he became a starter at LT. In 1993, Butler and his staff looked to the ACC to select an extremely gifted athlete in CB Thomas Smith. CB Jeff Burris, out of Notre Dame, was Buffalo’s top pick in 1994 and set a new Bills’ record for most punt return yardage in his rookie season.

Having not selected higher than 14th in any of the last five drafts, Butler and his staff have done an outstanding job of finding and selecting players. OL Ruben Brown, out of the University of Pittsburgh, lived up to his 1995 first-round selection status by being voted to the Pro Bowl the past four seasons of his five-year career. His 1996 first-round draft choice, Eric Moulds, is considered one of the top receivers in the league, according to many experts. Antowain Smith, the team’s top selection in ‘97, finished his rookie year as the NFL’s third-leading rookie rusher. LB Sam Cowart was the Bills’ top selection in 1998 and the team’s leading tackler in ‘99. Last year’s top selection, CB Antoine Winfield, did a superb job when pressed into a starting role in place of the injured Ken Irvin.

However, for all of the success of the Bills top choices since 1988, Butler and his scouting staff may be best known for finding outstanding talent at schools rarely listed in scouting directories. Veteran DE Phil Hansen from North Dakota State is just one of the examples of current Bills who have made an impact from small schools. Under Butler, the scouting staff is also noted for combing the country for quality late-round picks.

Butler has also gained recognition for his expertise in the free agency market. The 1995 signing of free agent LB Bryce Paup, the NFL's 1995 Defensive MVP, has been hailed by many notable sportswriters and national radio/TV commentators as the single best free agent signing by an NFL executive. During the 1998 offseason, Butler signed the Canadian Football League's MVP, Doug Flutie, and then negotiated a trade with Jacksonville to acquire Rob Johnson to give the Bills what many are saying is the best OB tandem in the league. Also during the '98 offseason, Butler bolstered the roster by signing free agent Joe Panos.

PROFESSIONAL EXPERIENCE: Having joined the Bills in May of 1987 as the Director of College Scouting, Butler was elevated to the position of Director of Player Personnel in June of 1989, overseeing the entire Buffalo scouting operation...Butler entered the NFL in 1985 and served for two seasons as a staff scout for the San Diego Chargers (1985-86)...prior to his stint with San Diego, he was a member of the United State Football League's Chicago Blitz staff and served in a number of capacities, including Director of Pro Scouting (3 years)...he also coached the tight ends and offensive line at various times...he served under head coaches George Allen and Marv Levy during his tenure with the Blitz. In fact, Butler has the unique distinction of serving with three head coaches who have each posted over 100 NFL career victories in Allen, Levy and Don Coryell.

COACHING EXPERIENCE: Butler coached collegiately for 3 seasons at the University of Evansville (IN), 1979-81, under Randy Rodgers.

COLLEGE/PERSONAL: John Robert Butler was born in Chicago, Illinois and graduated from Urbana (IL) High School...served in the Marine Corps for four years before enrolling at San Bernadino (CA) Junior College and playing football for two seasons before transferring to the University of Illinois where he played one year before a knee injury cut short his career...he holds a degree in parks and recreation from Illinois...John and his wife, Alice, reside in Orchard Park, NY, with their daughter, Andrea (1/26/85).

DECADE OF DOMINANCE

REMEMBERING THE NINETIES

The 1999 season closed the most successful decade in Buffalo Bills history. The 1990s saw Buffalo record an AFC-leading 103 regular season victories, play an NFL-leading 18 playoff games (10-8) and reach an unprecedented four consecutive Super Bowls.

Earlier in the season, the Bills became one of just eight NFL teams ever to post 100 wins in any decade.

"I hope the fans are as proud of the record as I am," said Bills President Ralph Wilson after the team recorded its 100th win in the 1990s. "I think a lot of people take it for granted but this is a major milestone, a major accomplishment for our team."

The Bills won 64.3% of the 160 regular season games played in the 1990s as compared to the 80s they won 45%, the 70s when they won 35% and the 60s when they won 46%.

100 IN A DECADE

With a win on Nov. 28, 1999 vs. New England, the Bills recorded their 100th win of the 1990s and became just the sixth franchise in NFL history to record 100 wins in a decade.

Later on in 1999, Buffalo was joined by Kansas City and Dallas in the decade's 100-win club. At season's end there were a total of eight NFL teams that have accomplished the feat.

San Fran	1990s	113-47-0

The following is a list of the top teams of the 1990s based on regular season wins and 10-win seasons:

The girls were also taught the importance of teamwork, dedication and showmanship by dance instructors from Jr. Pro Cheer and current Buffalo Jills. The Jr. Jills Cheerleading Clinic will begin again in June 2000 and continue throughout the end of the season.

Later that day, patients and Bills players spent the evening at the Buffalo Bills Fieldhouse painting ceiling tiles that would later decorate rooms at Roswell Park. The program continued throughout the season with a series of field trips to the Albright-Knox Art Gallery. Buffalo Public School students were picked up at their school and went on a field trip to the Art Gallery with some of their favorite Bills players. After the trip to the gallery, students returned to their school and painted ceiling tiles that were later donated to Roswell Park. The program will continue throughout the 2000 season and includes a large PaintFest 2000 event to be held in Rochester.

Rush for Reading

During the 1999 season, the Buffalo Bills, just buffalo literary center, Blue Cross & Blue Shield of WNY and the Buffalo Public Schools joined forces to introduce the "Rush for Reading" program. The Scorecard Program launched prior to the 1999 season and helped tie in numerous players with local charities around the community. The final contribution to the Buffalo Bills Youth Foundation totaled over \$59,000. The player donations were based on on-field performance and were tallied throughout the season. HSBC teamed up with the program as the company matched all funds donated by the individual players. Another element of HSBC's involvement was their donation of their brand new dugout suite during the 1999 season. The suite was given each game to a player represented charity.

A few of the players involved included Ted Washington, Chris Mohr, John Holecsek, Steve Christie, John Fina and Henry Jones. Charities benefiting from the program included the United Cerebral Palsy Association, the Muscular Dystrophy Association, Camp Good Days and Special Times, Haven House, Buffalo City Mission, March of Dimes Meals on Wheels and Camp Caring Love.

HEAD COACH

WADE PHILLIPS

**Vice President of Football Operations
and Head Coach**

24th NFL season, 5th with Bills,

2nd as head coach

Born June 21, 1947

BILLS: When he was named the 11th head coach in Buffalo Bills history on January 5, 1998, Wade Phillips inherited a team that had finished 6-10, missed the playoffs for just the second time in 10 years and had lost six of its last seven games. In his two seasons at the helm, Phillips has led the Bills back to the upper echelon of the NFL while putting his own stamp on the team. In just two seasons, he already ranks as the fourth-winningest coach in franchise history.

Over the last two seasons, only Minnesota and Jacksonville, with 25 wins each, have posted more victories than Buffalo's 21. In addition, the Bills are one of only five NFL teams to have qualified for postseason play in each of the last two seasons (Jacksonville, Minnesota, Miami, and Dallas) and one of just three teams with double-digit wins in each of the last two seasons (Jaguars and Vikings). With 10 wins in 1998 and 11 last season, Phillips has become just the 14th NFL head coach in the modern era to record 10 wins or more in each of his first two years on the job.

One of the reasons for Buffalo's success over the last two years has been a proven personnel system in which the coaching and scouting staffs work in tandem to constantly bolster the roster with talent through the draft. Of Buffalo's 15 selections in its initial two drafts under Phillips, 13 are still on the team's roster.

Another factor in the success under Phillips has been the team's ability to perform well when the games matter most. The Bills are 12-5 in the last two years after the start of November and a combined 6-2 over the season's final month during that span. Since 1998, only four NFL teams have recorded more wins in the season's final two months.

Throughout his tenure, Phillips has demonstrated an unassuming and relaxed demeanor that belies a more intense side as well as a penchant for bold and daring decisions. A year ago, only one NFL team (NY Giants, 12) converted more fourth downs attempts than Buffalo's 11. A lifetime in football has equipped Phillips with the quiet confidence and self-assuredness to make the difficult decisions that face a head coach. One of the first moves of the Wade Phillips era was the widely-panned signing in January, 1998 of Doug Flutie, who had spent the previous eight seasons in Canada. Less than a month later, eyebrows were raised again when Buffalo traded two draft picks to Jacksonville for QB Rob Johnson. When Johnson was injured in '98 and Flutie excelled in his place, Phillips went against conventional wisdom and stayed with Flutie even after Johnson returned to health. A year later, he made the dauntless decision to start the talented Johnson in a playoff game at Tennessee and his fortitude would have been validated if not for a miracle play pulled off by the Titans.

In 1998, the likable and highly-regarded Phillips turned in the most successful campaign of any first-year head coach in team history, both in number of victories (10) and turnaround in wins and losses (+4). Perhaps as impressive as the 10-6 mark was the leadership Phillips displayed in keeping the team together after dropping its first three games by a total of nine points. As a result, the Bills became just the fourth team in NFL history to make the playoffs following an 0-3 start (not including strike season). Among the major improvements made by the Bills under Phillips in 1998, included a net change of 31 in turnover plus-minus (going from -20 to +11); improving their overall offensive ranking from 25th in the NFL to 6th; and an improvement in run defense from 15th to 5th.

In his second season, the Bills went 11-5 and returned to the postseason. Buffalo recorded its highest win total since 1993 and one of the main components in the success was a defense that finished #1 in the NFL and established a number of club records for defensive excellence.

The 2000 season will undoubtedly present new challenges and call for difficult decisions. If the past is any indication, no one is better suited to handle them than Wade Phillips.

Phillips first joined the club when he was named the Bills' defensive coordinator on January 17, 1995. That season, the defensive tactician directed the Bills defenders to an NFL-leading 49 sacks and tutored the NFL's Most Valuable Defensive Player, Bryce Paup, who led the NFL with 17.5 sacks. The Buffalo defense continued to show its prowess in 1996 by posting "NFL bests" in several categories, including fewest TD passes allowed (22), opponent's lowest rushing average (3.4) and forced punts (102). His '96 Bills defenders also finished second in the league in opponents lowest average yard per play (4.3), completion percentage (52%) and total sacks (48).

PROFESSIONAL HEAD COACHING EXPERIENCE: Phillips was named Denver's head coach on January 25, 1993 after serving as defensive coordinator the previous four seasons. He led the Broncos to a playoff berth in his first season, but injuries decimated the club the following season which resulted in a 7-9 record. Phillips was released by the club soon after the season finale and joined Buffalo as defensive coordinator shortly thereafter. In addition to his two seasons as Denver's head coach, served as the Broncos interim head coach for one game in 1990 and posted a win over Indianapolis (10/21/90). Five seasons prior he served as the interim head coach of the Saints for the final 4 games in 1985 and posted a 1-3 record. Under Phillips, New Orleans defeated the Rams before losing the Cardinals, 49ers and Falcons.

PROFESSIONAL ASSISTANT COACHING EXPERIENCE: Each of Phillips' past two tenures as a defensive coordinator led to head coaching assignments with his existing teams. In Buffalo he was named the head coach after three seasons

at the defensive helm and in Denver he had previously served as the defensive coordinator from 1989-92 before being named head coach. As with the Bills, Phillips' defenses topped several NFL defensive categories under his tutelage. The Bronco defense led the AFC in fewest points allowed in 1989 and '91. In fact, the '91 defense led the AFC in 12 different categories. Previously, Phillips was the defensive coordinator and linebackers coach for Philadelphia from 1986-1988. He served as the defensive coordinator at New Orleans from 1981-85 and coached linebackers at Houston in 1976 and the Oilers defensive line from 1977-80.

COLLEGE COACHING EXPERIENCE: In 1969, Phillips began his coaching career at his alma mater, University of Houston. In 1973, he joined the Oklahoma State staff, where he remained through the following 1974 season. Phillips was then hired as an assistant at Kansas in 1975 for his final season of coaching in the collegiate ranks.

HIGH SCHOOL COACHING EXPERIENCE: Phillips served as head coach in his home state of Texas at Orange High during the 1970-72 seasons.

PERSONAL: Wade Phillips was a three-year starting linebacker for the University of Houston after he attended Port Neches-Groves (TX) High. A very civic-minded individual, Wade and his wife Laurie are involved in a number of charitable endeavours. The couple serves as the honorary chairpersons for the annual "Checkout Hunger" campaign at area supermarkets as well as the "Cans from Fans" food collection. Both efforts benefit the Food Bank of Western New York. Wade and Laurie also serve as celebrity chefs at the "Gourmet Gala," a charity benefit for the March of Dimes of Western New York. In addition, the Texas native also returns to his home state every June when he serves as a director at the St. Angelo Football Clinic—a clinic for pro, college and high school coaches, which he has been involved with since 1976.

Wade is the son of the legendary NFL head coach O.A. "Bum" Phillips and the pair are just the second father and son to serve as NFL head coaches. Wade and his wife, Laurie, have been married for 31 years and the couple resides in East Amherst, NY. The couple has a daughter, Tracy (3/29/74), and a son, Wesley (2/17/79), who is a junior quarterback at the University of Texas-El Paso. Wade is an enthusiast of all sports, with particular interests in basketball, golf and hockey. He and Laurie are also fans of the theater with Les Miserables topping the list of favorites for the Bills coach.

DOUBLE-DIGIT WINS IN FIRST TWO SEASONS

In 1998, Wade Phillips inherited a team that went 6-10 and had lost six of its last seven games. That year he turned in the most successful season of any first-year head coach in team history, both in terms of wins (10) and turnaround in overall record (+4). Last season, Buffalo finished 11-5 in its second season under Phillips.

As a result, Phillips became just the 14th NFL coach since World War II to post 10 wins or more in each of his first two seasons on the job. The others are as follows:

CHIPS OFF THE OLD BLOCK

Buffalo coach Wade Phillips and his dad, Bum, represent just the second father-son tandem to serve as head coaches in the NFL. The first was former Dolphins head coach Don Shula and son, David.

In the other pro sports leagues, father-son head coaching pairs are just as rare. Major League Baseball has only had one while the NBA is still waiting for its first.

The NHL leads the pack with four father-son combos, as well as the unprecedented father-son-grandson hat trick.

The list of this select group is as follows:

DRAFT EXCELLENCE

Of all the factors that have led to the Bills success, perhaps the most vital has been Buffalo's outstanding talent evaluation in the NFL Draft.

"Our scouting and player evaluation has been tremendous," said Bills President Ralph Wilson. "You look where we've drafted. Many teams, even drafting in the first 10 every year don't come close to the record we've had."

In fact, no team had a higher average position of its first round selections in the 1990s than Buffalo. Because of the Bills success, their first rounders came on average at 23.1 overall. The next five closest are San Francisco (22.2), Kansas City (21.3), Green Bay (21.2) and Denver (20.6).

Despite that less-than-enviuous average first-round position, the Bills had the NFL's best record in finding talent through the draft. Of the Bills 22 starters at the end of 1999, 18 were selected through the draft and 10 of the 11 starters on the '99 defense that finished #1 overall in the NFL were drafted by the Bills.

1997: Saw action in all 16 contests on special teams as the team's long-snapper...exhibited particular poise on a pair of clutch field goal tries - Steve Christie's game-winning FG as time expired in a 9-6 win at Indy (10/20) and Christie's game-tying 55-yarder as regulation time expired at Denver (10/26) ... hurt his knee in the first quarter vs. New England (11/9) but stayed in the game that week and played despite the injury the following week at Miami (11/17)...also tallied five special teams tackles in punt coverage (1 UT, 4 ATs).

FLUTIE ECLIPSES 50,000 PASSING YARDS AS A PRO

In 1999, Doug Flutie went over 50,000 passing yards in his professional career, which includes seven teams in three leagues. Just four other men in the history of professional football have thrown for at least 50,000 yards in their careers. Topping the list is Warren Moon with 70,325 in the NFL & CFL. Between Moon and Flutie on professional football's all-time passing yardage list is Miami's Dan Marino, former Denver QB John Elway, and the CFL's all-time leading passer Ron Lancaster, who played 19 seasons for Ottawa and Saskatchewan between 1960-78.

(1/8) and had a memorable day...despite playing behind a depleted offensive line, Johnson showed amazing poise and presence in hostile Adelphia Coliseum and would have emerged as the game's hero if not for the Titans now-famous kickoff return...trailing 12-0 at the half, he came out on the opening drive of the 3rd quarter and directed the Bills to a 62-yard TD drive that cut the deficit to 12-7...followed that by giving the Bills their first lead of the day on a 9 play, 65-yards drive late in the third that was capped off by an Antowain Smith touchdown run early in the 4th quarter...after a late Titans FG put the hosts up 15-13, the Bills took over offense with 1:41 remaining in the game and no timeouts...Johnson led the offense on a 6 play, 38 yard drive in just 1:32 that was highlighted by a pair of Johnson passes to WR Peerless Price, the second of which came after Johnson lost his shoe and executed the play wearing just one; the completion set-up Steve Christie's apparent game-winning 41 yard field goal with just 20 seconds remaining but the lead was soon erased.

JOHNSON'S LAST FOUR REGULAR SEASON STARTS

Rob Johnson's performance in the 1999 regular season finale vs. Indy was phenomenal. Against one of the AFC's top teams that was fighting for home field advantage in the playoffs, he completed his first 7 passes and 9 of his first 10 while leading the Bills on three TD drives of 80 yards or longer in the first half. Overall, Rob was 24 of 32 passing for 287 yards with 2 TDs and 0 INTs. On third downs, he completed 7 of 9 pass attempts for 113 yards and 2 touchdowns for a perfect 158.3 passer rating.

The three first half TDs vs. Indy were the most scored by the Bills since recording four in the first half of the 1998 finale at New Orleans - a game also started by Johnson. Not including game 5 of 1998 at Indy when he started but was forced from of the game after three plays with a rib injury, Johnson's last four regular season starts have been very impressive. In those four outings, the Bills are 3-1 and the offense has averaged over 33 points per game. Here's a look at Johnson's numbers in those starts:

The Bills entered the final game of the 1999 regular season with the NFL's #1 ranked defense both overall and against the pass. Their opponents in the regular season finale, however, included the NFL's top rusher (Edgerrin James), #1 receiver (Marvin Harrison) and top-rated passer (Peyton Manning).

Defensive coordinator Ted Cottrell's unit held onto its #1 ranking by limiting the Colts to season lows in rushing yards (44) and total yards (226) while holding the Colts to just six points, Indy's lowest total in 28 games (the Colts entered the game averaging 28 points per contest).

In addition to finishing #1 in the NFL for the first time since 1980, the Buffalo defense also set a number of significant club records. Among them are the following:

Fewest points allowed/16-game season

Old Record: 237 (1988)
New Record: 229

Fewest rush. yards allowed/16-game season

Old Record: 1,395 (1992)
New Record: 1,370

Fewest TDs allowed/16-game season

Old Record: 25 (1993)
New Record: 23

Fewest first downs allowed/16-game season

Old Record: 251 (1980)
New Record: 244

**Fewest total yards allowed/
16-game season**

Old Record: 4,101 (1980)
New Record: 4,045

**Fewest rush. first downs allowed/16-game

Old Record: 77 (1992)
New Record: 73

NOWHERE TO RUN

In addition to finishing as the #1 ranked defense overall, the Bills were fourth in the NFL against the run.

Despite facing five of the top ten rushers in the NFL in 1999, the Bills allowed only two backs to top the 100-yard barrier, Indy's Edgerrin James in the season opener (112 yds) and the Patriots Terry Allen (126 yds) in week 16.

The following shows how some of the NFL's top running backs have fared against the Buffalo defense as compared to how they did in all other 1999 games:

GAME 1

Colts 31, Bills 14

September 12, 1999 – RCA Dome – (56,238)

The Bills dropped the season opener for the third straight year when they fell to the Colts at Indy. While the statistical battle was fairly close (393 total yards to 321; 20 first downs to 19), the Bills could not match the Colts in the big play department and that, perhaps more than anything, was the difference in the game.

Indy opened the scoring on their second drive of the game when a 50-yard pass from Peyton Manning to E.G. Green set up a 1-yard Edgerrin James TD run. Early in the 2nd, Buffalo got on the board when Steve Christie hit a 36-yard FG. Midway through the 2nd, Indy increased its lead to 14-3 when Manning capped a 7-play, 65-yard drive with a 5-yard TD pass to Marvin Harrison. Just before the half, Buffalo advanced to the Indy 11 before settling for another Christie FG (29 yards) that made the score 14-6 at intermission.

The Colts increased their lead to 21-6 halfway through the 3rd quarter when Manning and Harrison hooked up for another TD, this one a 24-yard strike that was preceded by runs of 40 and 24 yards by James. The Bills responded on the next series by marching 60 yards in 8 plays and pulled to within 7 points on a 6-yard pass from Doug Flutie to Andre Reed, followed by a successful 2-point conversion.

That was as close as Buffalo would get as a 35-yard Mike Vanderjagt FG put Indy ahead 24-14 early in the 4th. The Bills created chances to get back in it by forcing turnovers on the next two Colts possessions. They reached the Indy 31 with 3:35 remaining and down by 10 when Flutie's pass was intercepted by CB Tony Blevins, who returned it 74-yards for the game-breaking TD.

Buffalo was without the services of RB Thurman Thomas, who suffered a liver/kidney injury on the game's first play from scrimmage.

GAME 2

BILLS 17, Jets 3

September 19, 1999 – Ralph Wilson Stadium – (68,839)

The Bills moved to 1-1 with a convincing 17-3 win over the Jets on Sunday night. The game was the team's 1999 home opener and the first regular season contest played at the newly-renovated Ralph Wilson Stadium.

Statistically, the Bills outgained the Jets 384 to 190 in total yards and enjoyed a 224 to 74 advantage in rushing yards. Leading the ground game was RB Antowain Smith, who rushed 30 times for 113 yards, and QB Doug Flutie, who added 67 rushing yards on 7 carries.

The game was scoreless for most of the first half although Buffalo twice penetrated the NYJ 30 before ending the drives with unsuccessful FGs (44 & 45 yards). After the second miss, the Jets marched deep into Bills territory and faced a 4th and goal from inside the 1 when NT Ted Washington and LB Sam Cowart stuffed FB Jerald Sowell for no gain.

Following the stand, the Bills marched 99 yards, ending the drive with a 1-yard Antowain Smith TD run that put the Bills up 7-0 with :39 to play in the half. Key plays on the drive included a 24-yard Flutie scramble and a 12-yard run to the 1 by Smith that was aided significantly by a Flutie block on Jets LB Mo Lewis.

After sending the Jets 3-and-out on the opening drive of the 2nd half, the Bills increased their lead to 14-0 when Flutie capped an 8-play, 54-yard drive with a 24-yard bootleg run for a TD. New York got on the board on their next drive when John Hall's 31-yard FG ended an 8-play, 59-yard drive. However, Buffalo would allow the Jets no closer and the Bills running game successfully ground out the clock. Steve Christie's 35-yard FG with 2:05 remaining provided the final margin of victory.

The three points allowed was the lowest total given up by the Bills since shutting out Indy on 9/20/92. Buffalo limited Jets RB Curtis Martin to just 45 yards on 9 carries and held WR Keyshawn Johnson to 3 receptions for 47 yards.

While Buffalo played without RB Thurman Thomas (bruised liver/kidney), the Jets were without the services of six key players, including QB Vinny Testaverde (Achilles).

GAME 3

BILLS 26, Eagles 0

September 26, 1999 – Ralph Wilson Stadium – (70,872)

Buffalo posted its first shut-out since 1992 and thoroughly dominated the visiting Eagles en route to a 26-0 victory that upped the team's record to 2-1. For the second straight week, the Bills did not allow a touchdown. They enjoyed a 377 to 169 advantage in total yards, surrendered just 22 rushing yards (3rd lowest in team history), and allowed the Eagles to cross midfield just two times.

The Bills advanced deep into Eagles territory on each of their first three possessions and came away with three Steve Christie field goals to jump out to a 9-0 lead. The third of those FGs was set-up when LB Gabe Northern sacked Eagles QB Doug Pederson, forcing a fumble that DE Phil Hansen scooped up and returned to the Philly 4-yard line.

Midway through the second quarter, the Eagles reached the Buffalo 20 for their best scoring chance of the afternoon. However, Pederson again fumbled while being sacked, this time by Bruce Smith, and Hansen returned it 19 yards to the Eagles 48. Five plays later, Doug Flutie connected with TE Jay Riemersma on a 15-yard scoring strike that put the Bills up 16-0. The lead grew to 19 on the final play of the half when Christie nailed his fourth FG of the day.

The Bills defense continued to blank the Birds in the second half, allowing them past midfield just once. The offense, meanwhile, put its final points on the board when Antowain Smith scored on a 4-yard run late in the third to cap an 8-play, 60-yard drive. Rob Johnson replaced Flutie for the final quarter and played two series before exiting in place of Alex Van Pelt when Johnson was injured on a sack.

Nine different players caught passes for the Bills, including veteran WR Andre Reed who collected yet another career milestone. With his 3rd reception of the day, the future Hall-of-Famer notched career catch #900, joining Jerry Rice and Art Monk as the only NFL players ever to reach that plateau.

Also, for the 10th straight game, the Buffalo offense topped 300 yards in total offense. The shutout was the 18th in team history and Buffalo held opponents without a TD in consecutive games for the sixth time ever.

GAME 4

BILLS 22, Dolphins 18

October 4, 1999 – Pro Player Stadium – (74,073)

The Bills wrote another chapter in their storied rivalry with the Dolphins with a thrilling 23-18 victory at Miami on Monday Night Football. The Buffalo defense turned in a masterful performance, particularly in the second half when it held the Dolphins to 14 rushing yards and 83 total. The Bills D also limited Miami to just one 3rd down conversion in 14 attempts on the evening and provided the difference in the game with one huge play after another.

On Buffalo's first series of the game, they drove deep into Miami territory before Steve Christie's 26-yard FG put the Bills up 3-0. A Buffalo turnover on a fumbled exchange gave Miami the ball at the Buffalo 12 on its next drive but the Dolphins came away with just 3 points on a 30-yard Olindo Mare FG. Another Mare FG on the next Miami drive put the Dolphins ahead 6-3 before Christie knotted it with a 52-yard FG early in the 2nd quarter. The game's first TD came later in the quarter when LB John Holeccek sacked Dan Marino, forcing a fumble that LB Gabe Northern scooped up and returned 59 yards for the score. Just before halftime, Miami reached the Bills 8 but was forced to settle for another FG that cut the Buffalo lead to 13-9.

After each offense was held in check in the 3rd quarter, Miami again reached the Bills 8 but again was kept out of the end zone and came away with another Mare FG that cut the lead to 1. On its next drive, though, Buffalo marched 80 yards in 6 plays, starting with a spectacular 40-yard reception by Eric Moulds and ending with a 6-yard TD pass from Doug Flutie to Moulds. Three plays later, Holeccek stepped in front of a Marino pass and returned the INT 35 yards to set up another Christie FG that put the Bills up 23-12 midway through the 4th. The comfortable lead was short-lived, though, as Brock Marion returned the ensuing kickoff 93 yards to the Buffalo 4, setting up a 9-yard O.J. McDuffie TD reception. Prior to that play, the Buffalo D had not allowed a TD in more than two games – over 12 quarters. Miami trailed by just 5 points when they took over at their own 33 with 2:59 to play but four straight Marino incompletions turned it over on downs to the Bills with 2:25 left. Buffalo gained one first down, enabling them to run out the clock and preserve the win. The victory was Buffalo's first in Miami since 1994, snapping a 5-game winless streak there.

GAME 5

BILLS 24, Steelers 21

October 10, 1999 – Ralph Wilson Stadium – (71,038)

The Bills improved to 4-1 and notched their fourth straight win of the season with a 24-23 victory over the Steelers in front of a sell-out crowd at Ralph Wilson Stadium. The Buffalo defense held Pittsburgh to 255 total yards and just 48 rushing while limiting Jerome Bettis to 24 yards on 13 carries. Offensively, Doug Flutie enjoyed an outstanding day completing 21 of 32 passes for 261 yards, 3 TDs and no INTs while adding another 39 yards on 7 rushes. His favorite target was once again Eric Moulds who had 6 receptions for 122 yards and a 49-yard TD.

The day got off to a rough start for the Bills when Antowain Smith fumbled it over to the Steelers at the Buffalo 12 on the first offensive play from scrimmage. Three plays later, Kordell Stewart hooked up with Hines Ward on a 12-yard scoring pass that put Pittsburgh ahead 7-0. Buffalo came right back on its next drive, marching 69 yards in 14 plays and capping the drive with a 2-yard pass from Doug Flutie to Sam Gash on a 4th-and-1 play. After sending the Steelers 3-and-out, the Bills struck again when Flutie hit Eric Moulds on a 49-yard TD play. Midway through the 2nd quarter, the Bills went up 17-7 when Steve Christie's 29-yard FG capped a 12-play, 79-yard drive. The Steelers answered with a long drive of their own and pulled to within 3 points when Stewart and Troy Edwards connected on a 17-yard TD pass.

Defense dominated most of the 3rd quarter but the Bills reached the end zone late in the stanza when Flutie hit Jay Riemersma with an 8-yard TD toss that put Buffalo up 24-14. The drive was set-up when LB Sam Rogers picked off a Stewart pass at the Buffalo 38 and returned his first career INT to the Steelers 38. The Steelers closed to within a FG with 2:44 to play when Bettis' 1-yard run ended a 10-play, 78 yard drive that was aided by two Buffalo penalties. The Steelers never got the chance to pull closer because strong running by RB Jonathan Linton led to two first downs that allowed the Bills to run out the clock.

With 68 receiving yards on 6 catches, WR Andre Reed moved past Art Monk and into 5th place on the NFL's all-time receiving yardage list.

GAME 6

Raiders 20, Bills 14

October 17, 1999 – Ralph Wilson Stadium – (71,113)

The Bills snapped their 4-game win streak and fell to 4-2 after a 6-point loss to the visiting Raiders before a sold-out Ralph Wilson Stadium crowd. The outcome was not determined until the final play when Doug Flutie's 24-yard toss into the end zone was intercepted by Eric Turner, spoiling Buffalo's last-minute comeback bid. The Bills had taken over at their own 23 with :59 left after Michael Husted missed a 32-yard FG try that would have sealed the game. Buffalo moved to the Oakland 29 with :15 to go thanks to a 30-yard pass from Flutie to Peerless Price and a 14-yarder to Andre Reed. Flutie's two tries into the end zone were unsuccessful, however, and the Raiders snapped their 2-game losing streak while improving to 3-3.

The Raiders made several key plays throughout the afternoon, starting with a Darrien Gordon INT off of Flutie on the game's first play. Tyrone Wheatley scored from 3 yards out 6 plays later to put the Raiders up 7-0. The Bills answered quickly, though, as Antowain Smith raced 52 yards for the game-tying score. Oakland went up by 3 on their next drive as Husted's 25-yard FG capped a 12-play, 64-yard drive. Husted's 32-yarder on the next Raiders possession gave Oakland scores on its first three drives and upped the lead to 13-7 early in the 2nd quarter, a score that would remain until halftime.

Oakland opened the 2nd half with a 9-play, 72-yard drive that ended with an 11-yard Wheatley TD run. Buffalo narrowed the lead to 20-14 early in the 4th when Flutie and Eric Moulds hooked up on a 12-yard TD pass. The score was set up the play before when Kevin Williams caught a 20-yarder from Flutie on 4th-and-2. Oakland later chewed 6:34 off the clock with a 15-play, 58-yard drive that reached the Buffalo 14 before Husted's missed FG gave Buffalo one final chance. As detailed earlier, though, the comeback fell short.

With his first PAT in the game, Steve Christie became the 27th player in NFL history to score 1,000 career points and with the second one he broke Scott Norwood's franchise record for consecutive PATs with his 119th straight.

GAME 7

Seahawks 26, Bills 16

October 24, 1999 - The Kingdome - (66,301)

The Bills dug themselves an early hole out of which they were unable to climb and fell to 4-3 with their 2nd straight loss. Seattle scored on its first 3 possessions and 5 of its first 6 to take a 23-0 lead. Buffalo outscored the host Seahawks 13-3 in the 2nd half but it was not enough to recover from the early deficit.

The Seahawks returned the opening kickoff 54 yards and scored 5 plays later on Jon Kitna's 7-yard TD pass to Derrick Mayes. A pair of Todd Peterson FGs preceded another Kitna-to-Mayes TD, this one a 43-yarder midway through the 2nd quarter. Peterson's 3rd FG of the half gave Seattle a 23-0 lead before Steve Christie's 50-yard FG on the final play before intermission put Buffalo on the board.

Buffalo held Seattle scoreless in the 3rd quarter and narrowed the gap to 23-9 with an 18-yard TD pass from Doug Flutie to rookie Peerless Price (the PAT failed due to a bad snap). The TD was a career first for Price, who started in place of the injured Eric Moulds (hamstring). Buffalo was unable to capitalize on a successful onside kick following the Price TD and Peterson's 4th FG of the day put Seattle up 26-9 in the 4th. Buffalo answered with a 9-play, 79-yard scoring drive that ended on a 1-yard TD grab by TE Jay Riemersma. It was the only time that Riemersma was on the field, as a groin injury kept the starting TE from most of the action.

Trailing by 10 with 7:32 left, the Bills were unable to pull closer as their next drive ended with a Flutie fumble and the subsequent one when Buffalo turned it over on downs.

In addition to Moulds and Riemersma, Buffalo was without the services of three other injured starters - LG Ruben Brown (hamstring), LB John Holeccek (knee), and DE Phil Hansen (leg). Of the replacements, Peerless Price was the most prominent, finishing with a game-high 106 receiving yards on 4 catches.

GAME 8

BILLS 13, Ravens 10

October 31, 1999 - PSINet Stadium - (68,673)

The Bills rallied from a 10-3 fourth quarter deficit to claim a critical 13-10 win at Baltimore thanks to scores on their last two possessions. Both drives were set-up by turnovers created by the Buffalo defense. The Bills took their only lead of the game with 1:35 to play on RB Jonathan Linton's 5-yard TD reception from Doug Flutie, who shrugged off a difficult day to make several key plays in the final quarter. The win improved the Bills record to 5-3 at the season's midway point.

The Ravens jumped out early and took a 10-0 first quarter lead. The first score came on a 7-yard TD pass from Tony Banks to Justin Armour that capped a 10-play, 50-yard drive while the second was a 37-yard Matt Stover FG that was set-up by a Flutie INT. The Ravens had a chance to make it 13-0 late in the second quarter but Pat Williams blocked Stover's 51-yard try. The miss gave the Bills their best field position of the afternoon and they advanced from their own 42 to the Ravens 7 before Steve Christie's 25-yard FG made it 10-3 with :40 left in the half.

The Buffalo D, which blanked Baltimore in the final 3 quarters, allowed just 4 first downs and 77 total yards (27 rushing) in the 2nd half. The offense, meanwhile, penetrated the Ravens 40 twice in the third quarter but both drives ended with Flutie INTs.

With 13:00 to play and down by 7, LB Gabe Northern hit Banks while throwing to force a Kurt Schulz INT and 26-yard return to the Ravens 34. The turnover led to a 40-yard Christie FG that made the score 10-6 with 6:21 left. Northern then came up with another huge play on the next series when he chased down Banks from behind and stripped the QB, forcing a fumble that LB Sam Rogers returned to the Ravens 45 with 3:35 remaining to give Buffalo a chance for victory. Things looked bleak for the Bills when they faced a 4th-and-15 at the Ravens 39 but Flutie scrambled 17 yards to keep the drive alive with just over 2:00 left. Two straight completions to Andre Reed then moved the ball to the 5, setting up the game winning TD toss from Flutie to Linton, the RB's first career TD catch. The defense then finished the job by forcing the Ravens to turn it over on downs on their final drive to preserve the win.

GAME 9

BILLS 34, Redskins 17

November 7, 1999 – Redskins Stadium – (78,721)

The Bills closed their 3-game road swing and opened the season's 2nd half in impressive fashion by defeating Washington 34-17. In the team's most dominant performance of the year to that point, the offense racked up season high totals with 34 points and 413 total net yards (204 rush, & 209 pass.). The Buffalo defense, meanwhile, limited a Redskins team that entered the contest with per game averages of 34.6 points and 386.9 total yards to just 17 and 279, respectively. They also held Stephen Davis, the NFL's leading rusher, to only 33 yards on 9 carries. The offense was led by QB Doug Flutie, who was 16-22 passing (72.7%) for 211 yards, 2 TDs and no INTs and the 1-2 rushing punch of Jonathan Linton (24-96, both career highs) and Antowain Smith (20-68, 2 TDs). Buffalo scored on its first 3 drives and 5 of the first 6; Flutie had scrambles for 1st downs on 4 of them. Overall, Buffalo enjoyed a 41:00 to 19:00 edge in time of possession.

Though the Bills dominated the contest, it was Washington who took an early lead when Davis' 8-yard run capped a 66-yard game-opening drive. Buffalo answered with a 23-yard Steve Christie FG on its first possession. Following a missed 55-yard FG try by the 'Skins, the Bills took the lead when Flutie ended a 10-play, 55-yard drive with a 6-yard pass to TE Bobby Collins, the rookie's first pro TD. After Brett Conway's 41-yard FG tied it at 10, the Bills claimed a 17-10 lead with :18 left in the half when Smith ran it in from a yard away. Key plays on the drive included a 34-yard catch by TE Jay Riemersma and an 8-yard Flutie scramble on 4th-and-5 from the Washington 23.

Smith opened the 2nd half scoring with a 10-yard TD run. Eric Moulds, who returned after missing the previous 2 games with a hamstring injury, then upped the lead to 31-10 with a 14-yard scoring pass from Flutie. On the other side of the ball, Buffalo's D shut down the high-powered 'Skins offense and on 3 consecutive drives sent them 3-and-out two times and forced them to turn it over on downs on the third. Washington narrowed the deficit to 31-17 midway through the 4th quarter on a Brad Johnson to Albert Connell TD but FS Henry Jones recovered the ensuing onside kick try and Christie's 20-yard FG provided the game's final points.

GAME 10

BILLS 23, Dolphins 3

November 14, 1999 – Ralph Wilson Stadium – (72,810)

On a blustery autumn afternoon in Orchard Park, the Bills improved to 7-3 with a thoroughly dominating victory over the Dolphins that gave Buffalo its first season sweep of Miami since 1994. "They beat the hell out of us," Miami head coach Jimmy Johnson said succinctly in his 45-second post-game press conference. Offensively, the Bills rolled up 336 total yards on a defense that was allowing just 255.0 per game and rushed for 179 yards against the NFL's #2 run defense that was giving up just 80 per game. Defensively, the numbers were just as impressive for the Bills. Miami entered the game averaging 319.9 total yards per game but were held to just 101 – the 3rd lowest total ever by a Bills opponent. Miami also came in with per game offensive averages of 99.1 yards rushing and 220 passing but were limited to 60 and 41, respectively. The Dolphins had just 6 first downs, their lowest total in team history and the second lowest figure ever allowed by a Bills defense.

Buffalo came out of the gate quickly as rookie CB Antoine Winfield intercepted Damon Huard on the game's 3rd play and returned it to the Miami 22, setting up a 31-yard Steve Christie FG. The Bills upped the lead to 9-0 with Christie FGs (43 & 23) on their next 2 possessions. While Miami was sent 3-r-out on their first 4 drives (INT and 3 punts), Buffalo scored on each of its first 4, the last of which came when RB Jonathan Linton capped an 11-play, 71-yard drive with a 4-yard TD run. It was the 1st rushing TD allowed by Miami all year and its 1st overall TD allowed in 15 quarters. The drive included 3 Flutie completions for 3rd down conversions, including a 34-yarder to TE Jay Riemersma. Miami got its only score of the day just before halftime when Olindo Mare hit a 30-yard FG.

The second half was no better for Miami, whose deepest penetration was the Buffalo 49. They spent most of the half deep in their own end thanks in large part to a pair of Chris Mohr punts that pinned the Fish at their own 1 and 3, respectively. The only score of the 2nd half came in the 3rd quarter when Flutie connected with Eric Moulds on a 53-yard TD pass over the middle on 3rd-n-1. The grab gave Moulds TD catches in each of his last 5 games, tying the 35-year-old club record for most consecutive games with a TD reception (Elbert Dubenion, 1964).

A key reason for Miami's inability to get untracked was DE Bruce Smith, who notched 2 sacks and caused headaches all afternoon for the Dolphins offense.

GAME 11

Jets 17, Bills 7

November 21, 1999 – Giants Stadium – (79,285)

The Bills snapped their three-game win streak and fell to 7-4 on the season with a 17-7 loss to the Jets at the Meadowlands. The Jets win led to a season split in the Bills-Jets series for the first time since 1992.

The Jets opened the scoring on the 2nd play of the 2nd quarter when QB Ray Lucas capped a 70-yard drive with a 9-yard scoring run. After the Buffalo defense stopped the Jets on their next drive, punter Tom Tupa pinned the Bills at their own 3. Three plays later, blitzing DB Ray Mickens knocked the ball out of Doug Flutie's hands in the end zone and DE Eric Ogbogu recovered for a TD. The Bills advanced to the Jets 27 or closer three times in the 1st half but the drives ended with a pair of missed FGs by Steve Christie (40 & 45 yards) and a Flutie interception. Bills return man Kevin Williams contributed to the fine field position Buffalo enjoyed, most notably with a 62-yard kickoff return.

The Jets began the 2nd half with outstanding field position of their own, beginning their first two drives at the Buffalo 39 & 43. The Bills defense, however, held them to just three points, which came in the form of a 36-yard John Hall FG. Trailing 17-0 with 6:57 to play in the 3rd, the Bills took over at their own 34 and advanced to the NYJ 2 before Flutie found Peerless Price with a 2-yard scoring pass on 3rd-and-goal. The Jets took their 10-point lead into the 4th quarter. With just under 7 minutes to play, they elected to go for it on 4th-and-1 from the Buffalo 38 but Curtis Martin was stuffed for no gain. The Bills then advanced to the NYJ 10 thanks to 5 completions and a 15-yard Flutie run on 4th-and-2. However, on 1st-and-goal from the 10 with just over 4 minutes remaining, Flutie's pass attempt was batted down at the line of scrimmage, deflected off one lineman, bounced off the back of another and into the hands of NT Jason Wiltz. The Jets then picked up a couple of first downs and never let the Bills offense back onto the field.

For most of the game the Bills were without RB Antowain Smith, who suffered a turf toe injury the week before vs. Miami and missed all but a handful of plays in the Jets game. Fellow RB Jonathan Linton was also limited due to a knee injury suffered vs. Miami.

GAME 12

BILLS 17, Patriots 7

November 28, 1999 - Ralph Wilson Stadium - (72,111)

In a game pivotal to the playoff hopes of both teams, the Bills moved to 8-4 with a 17-7 victory over New England, who dropped to 6-5. Among the keys to the Buffalo win was a smothering defense that sacked Drew Bledsoe 6 times, forced a pair of turnovers inside the Buffalo 20, and shut out the Pats until the game's final 3 minutes. On offense the Bills turned in a thoroughly efficient and balanced effort that was punctuated by a handful of big plays that provided the margin of victory.

Buffalo opened the scoring on its 2nd offensive series with a 28-yard Steve Christie FG into a stiff wind. The 70-yard drive was aided significantly by a 42-yard pass interference penalty called on Pats FS Chris Carter. The 3-0 lead seemed to be in jeopardy early in the 2nd quarter when the Pats advanced to the Buffalo 24. A 21-yard Bledsoe-to-Ben Coates pass appeared to set NE up with a 1st-and-goal at the 3 but an offensive pass interference penalty called on Coates brought the play back. On the very next play, CB Ken Irvin halted the drive when he intercepted Bledsoe at the 16. New England had the ball most of the half and held a 30-19 edge in offensive plays and a nearly 6-minute advantage in time of possession. However, with 1:09 to play before half-time, Buffalo increased its lead to 10-0 when Doug Flutie beat a Patriots blitz to connect with Eric Moulds, who easily distanced himself from fallen CB Steve Israel to complete the 54-yard scoring play.

On the 2nd series after intermission, the Bills increased their lead to 17-0 following a 3-play, 80-yard drive. One play after Flutie found rookie TE Bobby Collins for a 45-yard completion, he tossed a short pass to Sam Gash that the Pro Bowl fullback gathered in before spinning from one tackler and out-racing all others to complete the 31-yard TD play. New England responded on its next drive by marching to the Buffalo 6 with just under 6:00 to play in the 3rd. On 1st-and-goal, though, LB John Holecsek killed the drive when he popped RB Kevin Faulk, forcing a fumble that fellow LB Sam Rogers recovered. The Bills then took their 17-0 lead into the 4th and chewed 6:22 off the clock with a 9-play, 60-yard drive that ended when they turned it over on downs. With 2:41 to play, the Pats got on the scoreboard with a 45-yard TD pass from Bledsoe to WR Terry Glenn. Any comeback hopes were dashed, however, when Andre Reed recovered the onside kick and the Bills ran out the clock with a first down.

GAME 13

Giants 19, Bills 17

December 12, 1999 – Ralph Wilson Stadium – (72,527)

On a day when most of the other teams involved in the AFC playoff race suffered defeats (Miami, New England, Seattle) the Bills failed to gain ground and slipped to 8-5 with a 2-point loss to the Giants. Cary Blanchard's 48-yard FG with :40 left gave New York the lead and Buffalo was unable to mount any comeback of its own in the game's final half-minute.

The Bills came out of the gate quickly as Doug Flutie and Eric Moulds connected on a 36-yard pass play on the team's first offensive snap. That pass set up a 50-yard Steve Christie field goal. The Giants knotted the game at 3 on the next possession when Blanchard capped an 8-play drive with a 42-yard FG. Early in the 2nd, Blanchard's 21-yard FG gave New York a 6-3 lead. That Giants drive started at the Buffalo 28 following a Flutie sack and lost fumble but the Bills defense forced the visitors to settle for just a FG after they reached the 4.

Buffalo reclaimed the lead just after the 2:00 warning on a 23-yard catch and run by Thurman Thomas. The future Hall-of-Famer returned to the lineup for the first time since suffering a liver and kidney injury on the first offensive play in the season opener at Indy. Following the Thomas TD, however, NY responded by moving 67 yards in 1:48 and scoring on a 14-yard Kerry Collins-to-Amani Toomer pass with :08 remaining in the half.

Buffalo opened the 2nd half by advancing deep into NYG territory but the drive ended on a missed 48-yard try by Christie. From there, the Giants moved to the Buffalo 4 before Blanchard's 21-yarder made it 16-10. The Giants seemed ready to increase their lead early in the 4th when they reached the Buffalo 16 but DT Shawn Price deflected a Collins pass into the air and DE Marcellus Wiley intercepted and returned it 52 yards to the New York 22. Six plays later, Jonathan Linton's 2-yard run up the middle put Buffalo up 17-16 with 9:34 left. The Bills then stopped the Giants on their next two drives. With just over 2:00 remaining and the Bills needing a first down to run out the clock, they faced a 4th-and-1 at the NY 36 but Linton was stopped for no gain, turning it back to the Giants with 2:09 left. In 9 plays, they advanced to the Buffalo 31 before lining up for the game-winning FG with :45 left.

GAME 14

BILLS 31, Cardinals 21

December 19, 1999 – Sun Devil Stadium – (64,337)

The Bills upped their record to 9-5 with a 10-point Sunday night win in their first-ever visit to Arizona. While the Buffalo victory improved its own playoff chances, it eliminated the Patriots, Jets and Chargers from contention. Despite the absence of RB Antowain Smith (turf toe) the Bills running game gained 159 yards on 41 carries and was a major reason Buffalo was able to control the ball for nearly 23 of 30 second-half minutes. Overall, the Bills enjoyed a 376 to 178 edge in total yards of offense and were particularly effective on 3rd down (12-17 for 71%).

The Bills struck first on the game's opening possession, moving 67 yards in 6 plays and capping the drive with a 15-yard TD pass from Doug Flutie to Eric Moulds. Key plays on the drive included completions of 24 and 19 yards to Jay Riemersma and Andre Reed, respectively. After the defense sent Arizona 3-and-out on its first two possessions, Buffalo increased its lead when Jonathan Linton's 6-yard TD run ended a 12-play, 80-yard drive. Early in the 2nd, the Cardinals got on the board with a long TD drive that resulted in a 1-yard Mario Bates run. Just before halftime, another Bates TD run - this one from 2 yards out - knotted the score at 14 at halftime.

After sending the Cards 3-n-out on the opening drive of the 2nd half, Buffalo chewed up most of the 3rd quarter with a 15-play drive that took 9:17 off the clock and ended when Steve Christie nailed a 33-yard FG. The Bills opened that possession with 12 straight running plays that moved the team from its own 25 to the Cards 11. Buffalo's next drive ended on a Flutie interception but not before again taking more than 5 minutes off the clock. Clinging to a 3-point lead in the 4th quarter, the Bills embarked upon a 13-play, 78-yard drive that culminated in a 4-yard Riemersma TD reception with 3:01 to play.

Down by 10, the Cards came right back and made things interesting when Jake Plummer connected on a 26-yard TD pass to Rob Moore with 1:55 left. Bills SS Henry Jones put the game out of reach, however, when he controlled the ensuing onside kick and returned it 37 yards for a TD.

GAME 15

BILLS 13, Patriots 10 (OT)

December 26, 1999 - Foxboro Stadium - (55,014)

On a cold and blustery afternoon in Foxboro, the Bills escaped with a critically important 13-10 win when Steve Christie nailed a 23-yard FG with 1:48 remaining in overtime. Buffalo would have never had a chance for victory if not for a pair of missed game-winning FG tries by Adam Vinatieri - a 33-yarder in the final seconds of regulation and a 44-yarder on the opening drive of OT. Crucial to the Bills victory was the play of QB Doug Flutie, who completed 15 of 18 passes for 151 yards in the 4th quarter and OT combined. That included a game-ending streak of 12 straight completions for 124 yards. While Flutie finished hot, the Buffalo defense spent the better part of the afternoon harassing his QB counterpart, Drew Bledsoe. The Bills sacked him six times - including two each for Bruce Smith and Sam Rogers - and limited the Pats to just 67 net passing yards.

On the game-opening drive, New England advanced to the Buffalo 26 but came away empty when Vinatieri's 44-yard try fell short. From there, the Bills moved 44 yards, thanks largely to a 31-yard Thurman Thomas run, and Christie put them up 3-0 with a 39-yarder. The lead stood until late in the half when the Pats tied it on Vinatieri's 38-yard FG on the final play of the first half.

After a scoreless 3rd quarter, the teams entered the 4th still knotted at 3 when the game took a bizarre turn. Following a Jonathan Linton run, lineman Chad Eaton got up from the pile with the ball and raced 30 yards to the Buffalo 14. After an officials conference and replay review, the ruling was a fumble recovery and that Eaton somehow emerged from the pileup untouched by any Bill. One play later, Terry Allen rushed 14 yards for a TD that put the Patriots up 10-3 with 12:15 to play. The Bills went on to tie it later in the quarter when Linton scored on a 1-yard run to cap an 8-play, 59-yard drive - 56 of those yards came via four Flutie passes. New England had a chance to win it at the end of regulation when they moved to the Buffalo 15 with :06 left but Vinatieri's 33-yard FG try was wide right.

The Pats won the coin toss and received the kickoff to open OT. They moved to the Bills 26 but Vinatieri again failed to end it when his 44-yard attempt was short. Flutie, who was a perfect 7-for-7 in the OT period, later moved the Bills to the NE 6 to set-up Christie's game-winner.

GAME 16

BILLS 31, Colts 6

January 2, 2000 – Ralph Wilson Stadium – (61,959)

The Bills closed the regular season in impressive fashion with a thoroughly dominant performance against the AFC East leading Colts, who saw their 11-game winning streak come to an end. Buffalo entered the game with a wild card spot already clinched and rested several starters, including QB Doug Flutie, FB Sam Gash, C Jerry Ostroski, and DE Phil Hansen. As a result, Rob Johnson earned his first start of the year in place of Flutie and clearly made the most of it. He completed his first 7 passes and 9 of his first 10 while leading the Bills on three TD drives of 80 yards or longer in the first half that helped them take a 21-7 halftime lead. Overall, Rob was 24 of 32 passing for 287 yards with 2 TDs and 0 INTs.

Johnson's was just one of many outstanding performances for the Bills on this day. The defense limited the potent Indy offense to just 226 total yards, including just 50 rushing by Edgerrin James and just 182 passing yards for Peyton Manning. The effort helped the Bills D finish with the NFL's #1 overall defense for the first time since 1980. Also impressive was Buffalo's offensive line, which was largely responsible for the Bills gaining a season-high 419 yards and holding the Colts without a sack.

Enjoying a memorable and historic day was WR Andre Reed who reached several career milestones. The future Hall-of-Famer passed Art Monk to rank 2nd all-time in career receptions, passed Steve Largent to rank 4th all-time in career receiving yardage, and recorded his 50th catch of the year to give him his 13th career season with 50+ catches tying Jerry Rice for the NFL record.

Indy opened the scoring with a 27-yard Mike Vanderjagt drive on its opening drive but Antowain Smith's 21-yard run on the next series put Buffalo up 7-3. The lead grew to 11 on 23-yard Johnson to Peerless Price TD that was originally ruled out of bounds but reversed by replay. After another Vanderjagt FG, Jonathan Linton capped an 82-yard drive with a 3-yard TD run just before halftime.

Buffalo shut Indy out in the 2nd half and added to the lead with a 1-yard pass from Johnson to rookie TE Bobby Collins and a 19-yard Steve Christie FG – both in the 4th quarter.

AFC WILD CARD GAME

Titans 22, Bills 16

January 8, 2000 - Adelphia Coliseum - (66,782)

The 11-5 Bills traveled to Nashville for an AFC Wild Card match-up with the 13-3 Titans that fittingly had all the elements of a country western ballad - adversity, exhilaration, frustrating run-ins with lawmen, and in the end, heartbreak. Steve Christie's 41-yard FG with :16 left appeared to give Buffalo the upset victory but on the ensuing kickoff, Frank Wycheck fired a suspicious looking cross-field lateral to Kevin Dyson that he returned 75 yards for the game-winning TD. The legality of the TD was confirmed following a video replay review by referee Phil Luckett. The improbable and bizarre ending ensured the game's place as one of the most memorable in NFL history.

After a scoreless first quarter, the Titans got on the board first when DE Jevon Kearse forced a Rob Johnson fumble out of the back of the end zone, resulting in a safety. Following the free kick, the Titans capped a 5-play, 28-yard drive with a 1-yard Steve McNair TD run. Momentum appeared to shift Buffalo's way later in the quarter when Phil Hansen forced an Eddie George fumble and Kurt Schulz recovered at the Buffalo 42. Three plays later on 3rd-and-10, Johnson connected with Peerless Price on a 27-yard completion to the Titans 31 with 1:53 to play but field judge Al Jury ruled that Price bobbled the ball and, though TV replays indicated otherwise, replay officials failed to review it. Following the Buffalo punt, Tennessee faced a 3rd-and-10 when a McNair run was stopped a yard short of the first down. The Titans were lined up to punt it back to the Bills with :38 left when the replay booth intervened. After a delay of 5:20, Luckett changed the spot of the ball to give the Titans a first down. They then advanced to the Buffalo 27 before Al DelGreco missed a 45-yard FG as the half expired. However, officials called a rare defensive holding penalty on the Bills and the ensuing 40-yarder on the half's final play gave Tennessee a 12-0 lead at intermission.

Buffalo opened the 2nd half with a 44-yard Antowain Smith run on the first play from scrimmage and three plays later, Smith scored on a 4-yard run to pull the Bills to within 12-7. That score remained until early in the 4th when Smith capped a 9-play, 65-yard drive with a 1-yard TD run and the Bills led 13-12 after an unsuccessful 2-point try. Tennessee then re-claimed the lead with 1:48 to play on DelGreco's 26-yard FG. Down 15-13, the Bills took over at their own 39 with 1:41 to play, no timeouts, and playing with a patch-work offensive line due to injuries. Johnson then led the team on an apparent game-winning march to the Tennessee 23, thanks to a 14-yard pass to Price, a 12-yard run by Jonathan Linton and a 9-yard pass to Price. On the play before the final completion to Price, Johnson lost his shoe and was unable to replace it because the clock was ticking down but still executed the crucial play shoeless. Had Christie's field goal held up as the game-winner, the Johnson-led drive would go down as one of the most impressive in Bills lore. It was soon overshadowed, however, by the Titan return.

THE COMEBACK VS. HOUSTON

After consecutive Super Bowl appearances following the 1990 and '91 seasons, the Bills finished 11-5 in 1992, but lost the division title to Miami on the conference-record tiebreaker. As a result, their journey back to the Super Bowl would have to begin on January 3, 1993 with a home game vs. the Houston Oilers.

The Bills got off to a slow start as the Houston offense enjoyed a 21:12 time of possession edge in the game's first 30 minutes. Houston averaged 7.3 yards per offensive play behind quarterback Warren Moon's 19 of 22 passing for 218 yards and four touchdowns — a 147.5 passer rating. At halftime, the Bills trailed the Oilers 28-3.

The second half start was no better. Fewer than two minutes into the third quarter, the Bills yielded a 58-yard interception-return touchdown and fell behind 35-3. However, with 13:15 remaining in the third quarter, the Bills embarked on the greatest comeback in NFL history, which in 1999 was chosen by fans as the Fifth Most Memorable NFL Game of the Century in voting on nfl.com.

Here's how it happened:

- After allowing the INT-return touchdown, the Bills drove 50 yards in 10 plays on their next possession, capping the drive on a Kenneth Davis' one-yard touchdown run. Houston 35, Buffalo 10.
- Bills kicker Steve Christie then recovered his own onside kick. Four plays later, Bills quarterback Frank Reich, starting for an injured Jim Kelly, connected with Don Beebe on a 38-yard touchdown. Houston 35, Buffalo 17.
- The Bills' defense produced a three-and-out on the ensuing Houston possession and Buffalo took over on its own 41-yard line. Five plays later, Reich hit Andre Reed for a 26-yard touchdown. Houston 35, Buffalo 24. Two plays into the Oilers' next drive, Bills safety Henry Jones intercepted a deflected Moon pass and returned it 15 yards to the Houston 23-yard line. The Bills gained five yards on three plays and faced a fourth-and-five. Time out, Buffalo. Reich convinced Levy to go for it on fourth down. He then saw Reed break away from the safety and hit him on the goal line for 18 yards and a touchdown. Houston 35, Buffalo 31.
- In a span of six minutes and 52 seconds, the Bills had cut their deficit from 32 points to four.
- After the teams traded punts, Moon led the Oilers on a 76-yard drive early in the fourth quarter over seven-and-a-half minutes. Houston then caught a break. A Buffalo interception was wiped out by a penalty called on the Bills' for a late-hit foul against Moon.
- The Oilers reached the Buffalo 14-yard line and set up for a field goal. It was then that the Bills received some help from above—it started raining. Montgomery fumbled the snap and kicker Al Del Greco recovered but the Oilers had turned the ball over on downs.
- Buffalo then drove 74 yards in seven plays into the wind, taking the lead on a 17-yard touchdown pass from Reich to Reed—the duo's third scoring connection in little more than 16 minutes. Buffalo 38, Houston 35.
- Moon then led Houston 63 yards in 12 plays, setting up the game-tying 26-yard Del Greco field goal with 12 seconds remaining.
- The game went to overtime and the Oilers won the coin flip but after two completions for seven yards, Moon faced a third-and-three from the Houston 27. It was then that Bills safety Nate Odomes stepped in front of a Moon pass at the 37 and returned the INT to the 35. The Bills gained 15 more yards on a penalty when Odomes was grabbed by his facemask.
- After two Davis rushes for six yards, Christie kicked a 32-yard field goal 3:06 into overtime. Buffalo 41, Houston 38.

In addition to keeping their Super Bowl hopes alive (the Bills would win their next two on the road to make that third consecutive appearance), Buffalo set an NFL record. Their 32-point comeback victory remains the largest in NFL history.

HISTORY

**BUFFALO BILLS WALL OF FAME**

The Buffalo Bills Wall of Fame was started in 1980 to honor former players, administrators, and coaches who have played significant roles in the team's history. To be eligible for induction, an individual must have played with the Bills for at least three years and be retired from professional football. Also eligible are other individuals who have made outstanding contributions to the Bills, including administrators and coaches. Selections are made by a distinguished panel composed of media members and club personnel.

The 2000 Wall of Fame ceremony will be an historic one because for the only time in team history, two individuals will be honored. Former players George Saines and Bob Kalsu will become the 15th and 16th members of the Wall. Saines played safety for the Bills from 1963-69 and is regarded as one of the finest players ever to roam the Buffalo secondary. Kalsu's contribution was more unique. He played just one season for the Bills before being called to serve his country in Vietnam and it was there that he lost his life in the line of duty. Kalsu remains the only pro football player killed in Vietnam and 2000 will mark the 30th anniversary of his death.

THE BUFFALO BILLS CARAVAN

Each summer, the Buffalo Bills hit the road to visit local areas throughout Western New York, Pennsylvania and Canada. The caravan provides an opportunity for the team and the players to thank the fans by bringing a piece of the Bills into their hometown. This traveling party visited 18 different regions this summer and consisted of current Buffalo Bills players and coaches, Bills alumni and the Buffalo Bills cheerleaders. Each stop provides an opportunity for autographs, pictures, raffles, games and much more. This summer, Wegmans Food Markets joined forces with the Bills Caravan and hosted many of the Bills stops throughout the summer.

NEW PLAYING SURFACE FOR 2000

Keen observers may notice a change to the playing conditions at Ralph Wilson Stadium in 2000. The previous playing surface, Astro-Turf 8, was installed following the 1990 season and had become worn. As a matter of safety, and paid for as part of the stadium renovations project under the current lease agreement with Erie County, the installation of Astro-Turf 12-2000 was completed over the summer of 2000. The current surface features a different type of padding underneath the turf. It has a 1.5 inch absorption layer and is a combination of rubberized and polyethylene material that provides a softer landing as the weather gets colder. In addition, the new field will have the yardage markers sewn into the turf so that they do not fade and require repainting as often.

COACHING FELLOWSHIP

The "Ralph C. Wilson, Jr. Coaching Fellowship" is an annual program designed to allow deserving minority college coaches the opportunity to gain professional experience by assisting NFL teams at summer training camps. Since 1987, more than 300 individuals have participated in the program.

All 31 NFL teams participate in the fellowship. Entering 2000, there are over 30 full-time assistant coaches in the NFL who are products of the program, including Bills running backs coach James Saxon, who participated in the Bills program a year ago. Also, three individuals who participated in the program with the Bills are now full-time NFL assistants: Ricky Porter (Denver), Juan Castillo (Philadelphia), and Sherman Smith (Tennessee).

BUFFALO AFTER THE BYE

Since bye weeks were introduced in 1990, the Bills have posted one of the NFL's best record in games following the open date with a 9-2 mark. Buffalo's only two losses were to Miami in 1993 and to the Giants in 1999.

The games, however, have not been easy. Just once was the margin of victory greater than 9 points and excluding that game (a 34-point Buffalo win over KC in 1994), the average point differential is just 5.5.

Buffalo's post bye week results are as follows:

10/21/90 vs. NYJ W, 30-27
 11/3/91 vs. NE W, 22-17
 10/26/92 @ NYJ W, 24-20

AFL EASTERN DIVISION PLAYOFF

Boston Patriots 26, BILLS 8

December 28, 1963 - War Memorial Stadium - (33,044)

Babe Parilli passed for 292 yards and a pair of TDs and Gino Cappelletti kicked 4 FGs to lead the Boston Patriots over Buffalo 26-8. The Boston defense limited the Bills to just 7 yards rushing and intercepted 4 Bills' passes to ruin Buffalo's 1st postseason playoff appearance. Buffalo had just 38 yards total offense in the 1st half as the Patriots broke to a 16-0 lead. The Bills' only scoring threat was set up by a 62-yard KO return by Elbert Dubenion, but Buffalo couldn't move and a 39-yard FG attempt fell short. In the 2nd half, Buffalo scored 1st on a 93-yard pass play from Daryle Lamonica to Dubenion late in the 3rd quarter, but Boston answered with a 68-yard TD capped by a Parilli pass to Larry Garron that put the game out of reach.

AFL CHAMPIONSHIP

BILLS 20, San Diego Chargers 7

December 26, 1964 - War Memorial Stadium - [40,242]

Buffalo made its first appearance in an AFL Championship Game a successful one with a 20-7 victory over San Diego. The Chargers scored first and made it look easy, driving 80 yards in just 4 plays, but the momentum quickly changed hands. On the Chargers' 2nd possession, the Bills' Mike Stratton crashed into San Diego RB Keith Lincoln, putting the Chargers starter out of the game, and a sense of excitement rippled through the Buffalo stands. The rest of the game belonged to the Bills. Cookie Gilchrist's 122 rushing yards complimented the varied Bills' passing attack as Buffalo scored 20 unanswered points. A pair of Pete Gogolak FGs and a 4-yard run by Wray Carlton gave Buffalo a 13-7 halftime lead and Jack Kemp's 47-yard pass to Glenn Bass set up a Kemp sneak for a TD in the 3rd quarter that finished the scoring.

With 8:19 left in the first quarter, Stratton nailed San Diego RB Keith Lincoln with a hit which put Lincoln out of the game. "The Hit," which broke one of Lincoln's ribs, was considered the turning point in the game.
- Two ex-Chargers came back to haunt their former team. QB Jack Kemp, picked up off waivers from San Diego for \$100 dollars, fueled the Bills offense past the Chargers. The other Charger cast off, P Paul Maguire, launched a 64-yard punt and killed the Chargers last attempt for a comeback. Maguire's punt was the longest in Bills playoff history.

BILLS 23, San Diego Chargers 0

December 26, 1965 - Balboa Stadium - (30,361)

For the second straight year, the Bills defeated the Chargers to win the AFL Championship. In 8 quarters of championship play, the Chargers managed just 7 points against Buffalo. After an uneventful 1st quarter, Jack Kemp, voted the game's MVP, hit Ernie Warlick with an 18-yard TD pass to open the scoring and 3 minutes later the Bills' Butch Byrd returned a punt 74 yards for a score to put Buffalo on top 14-0. The rest of the game belonged to the Bills defense as they continually thwarted San Diego's explosive offense. Three Pete Gogolak FGs in the 2nd half added icing to the Bills' championship cake.

KANSAS CITY CHIEFS 31, BILLS 7

January 1, 1967 - War Memorial Stadium - (42,080)

Led by the impeccable quarterbacking of Len Dawson, the Kansas City Chiefs earned the right to play the Green Bay Packers in Super Bowl I by defeating Buffalo, 31-7. The Chiefs' defense forced 4 Buffalo turnovers and limited the Bills to 9 first downs and 40 yards rushing. The Chiefs grabbed an early 7-0 lead, after Buffalo fumbled the opening KO. The Bills countered with a 69-yard bomb from Jack Kemp to Elbert Dubenion to tie the game. Dawson hit Otis Taylor with a 29-yard TD pass in the 2nd quarter to put the Chiefs on top, but Kemp moved Buffalo into scoring position near the end of the half. A Johnny Robinson INT and long return set up Mike Mercer's 32-yard FG with 3 seconds left in the half and Kansas City had the momentum. Buffalo never penetrated the Chiefs' 40-yard line in the 2nd half while Kansas City added a pair of scores by Mike Garrett to turn the game into a rout.

PITTSBURGH STEELERS 32, BILLS 14

December 22, 1974 - Three Rivers Stadium - (48,321)

A 4-TD explosion in the 2nd quarter propelled Pittsburgh to a 32-14 win over the Bills, spoiling Buffalo's 1st post-season appearance in 8 years. The Bills moved out to an early 7-3 lead on a 22-yard TD pass from Joe Ferguson to Paul Seymour. But Terry Bradshaw ran the Steeler offense to perfection in the 2nd quarter, completing 7 of 8 passes for 143 yards and repeatedly hurting Buffalo with scrambling gains. Rocky Bleier began the Pittsburgh scoring avalanche with a 27-yard TD reception and Franco Harris scored 3 times from inside the 5-yard line as the Steelers moved out to an insurmountable 29-7 lead. In the 2nd half, Buffalo's comeback hopes were stymied by the tough Pittsburgh defense and a stubborn ball control offense that kept the ball away from the Bills.

AFC DIVISIONAL PLAYOFF

SAN DIEGO CHARGERS 20, BILLS 14

January 3, 1981 - San Diego Stadium - (48,321)

In dramatic fashion, San Diego rallied from a 14-3 deficit as QB Dan Fouts connected with WR Ron Smith on a 50-yard scoring pass with just 2:08 remaining in the game. The reception was only the 5th of the season for Smith. Playing courageously on a badly sprained left ankle, QB Joe Ferguson tried to direct a last ditch bid by the Bills. His efforts were thwarted, however, when a pass was picked off by a San Diego defender after Buffalo had reached midfield. Meeting for the 2nd time at San Diego within a 3-month span, the teams battled on even terms until the Chargers got a late 1st quarter FG. Then the Bills took command with two 2nd period scores. The 1st came on a 1-yard burst up the middle by Roosevelt Leaks. With only 16 seconds remaining in the half, Ferguson connected with WR Frank Lewis on a 9-yard scoring play, upping the Bills' margin to 14-3. San Diego countered with a 3rd quarter TD and 4th period FG before the late heroics by Fouts and Smith.

AFC WILD CARD PLAYOFF

BILLS 31, NEW YORK JETS 27

December 27, 1981 - Shea Stadium - (57,050)

In a Wild Card game that lived up to its name, the Buffalo Bills stormed to a 24-0 lead but needed a last-second INT by Bill Simpson to preserve their 1st postseason victory since 1965. Charles Rome got the visitors off and winning by picking up Bruce Harper's fumble on the opening KO and returned it 26 yards for a TD. The play took 16 seconds and was the 2nd fastest score in NFL playoff history. TD passes of 50 and 26 yards to Frank Lewis, were sandwiched around a 29-yard Nick Mick-Mayer FG to put the Bills, up by 24-0. The Jets hung up 10 points before halftime and trailed 24-13 after Pat Leahy's 19-yard FG in the 3rd quarter. Joe Cribbs, staked the Bills to a 31-13 lead with his 45-yard scoring run 5 minutes deep into the final period. The Jets, however, refused to die. Richard Todd moved them 80 yards in 8 plays, hitting Bobby Jones with a 30-yard TD toss. After Buffalo failed to move on their next possession, Todd got the Jets within four with the aid of an interference call against Mario Clark that wiped out an apparent INT, in a 58-yard march that ended on a 1-yard plunge by Kevin Long. Buffalo could not generate a 1st down and turned the ball back to New York at the Jets' 20 with 2:36 remaining. Todd passed the Jets downfield, reaching the Buffalo 11 with just 10 seconds to play. Simpson stepped in front of his 2nd-and-10 try for Derrick Gaffney in the end zone to intercept at the Buffalo one to seal the Jets' doom.

CINCINNATI BENGALS 28, BILLS 21

January 3, 1982 - Riverfront Stadium - (55,420)

Cincinnati jumped out to a 14-0 1st quarter lead, after cashing in on a long punt return and an INT, and defeated Buffalo 28-21, to secure the 1st postseason victory in the history of the Bengals' franchise. The Bengals' Mike Fuller returned a Greg Cater punt 27 yards to start Cincinnati's 1st possession at the Buffalo 42. Charles Alexander capped a 7-play drive with his 4-yard scoring run. After Ken Riley intercepted a Joe Ferguson pass, the Bengals marched 48 yards in 8 plays and took a 14-0 advantage on Pete Johnson's 1-yard run. Buffalo breathed new life before halftime, as Ferguson hit Jerry Butler with a 54-yard pass to draw within 14-7 on Joe Cribbs' 1-yard run. Early in the 3rd quarter, the Bills evened the issue on a 44-yard scoring run by Cribbs, a play that would later prove costly as the Buffalo rushing leader injured a knee and played only one more down before retiring for the afternoon. The teams traded TDs, Cincinnati scoring on a 20-yard run by Alexander and Buffalo on a 21-yard pass from Ferguson to Butler, to make it 21-21 after 1 play of the 4th quarter. Bengal QB Ken Anderson put Cincinnati back in the driver's seat, 28-21, on a 16-yard scoring pass to Cris Collinsworth. Buffalo's last grasp reached the Bengal 20 late in the final stanza but a controversial delay-of-game penalty wiped out an apparent 3rd down conversion pass to Lou Piccone and Ferguson overthrew Roland Hooks in the end zone on 4th down.

BILLS 17, HOUSTON OILERS 10

January 1, 1989 - Rich Stadium - (79,532)

Spurred on by 79,532 noisy fans, the Bills blocked a Houston punt and field goal, and forced a fumble on another punt late in the series, to advance to the AFC Championship game. Following Leonard Smith's block of a Greg Montgomery punt, the Bills scored on Robb Riddick's one-yard TD run. The Oilers answered with a 35-yard Tony Zendejas FG, following an 11-play, 71-yard drive to make the score 7-3 at the intermission. The Bills' defense stymied Houston in the 3rd quarter as Oilers' QB Warren Moon was unable to complete a pass in the period. Thurman Thomas, who earlier had a career-best 40-yard run, scored from 11 yards out following a 59-yard drive to give the Bills a 14-3 lead after 3 quarters. Scott Norwood nailed a 27-yard FG after Mark Kelso picked off a Moon pass and returned it 28 yards to put the Bills at the Houston 18. Mike Rozier capped an 80-yard Houston drive with a 1-yard scoring plunge with 5:12 remaining in the game. The Oilers forced Buffalo to punt with just under two minutes remaining, but Steve Tasker stripped the ball away from Curtis Duncan and Ray Bentley recovered at the Houston 18 allowing Buffalo to run out the clock and win the game.

AFC CHAMPIONSHIP

CINCINNATI BENGALS 21, BILLS 10

January 8, 1989 - Riverfront Stadium - (59,747)

The Bills' season ended in Riverfront Stadium as Cincinnati dominated the Bills, 21-10, before a boisterous crowd. The Bills offense sputtered throughout the game, spent most of the second half pinned against its own goal line and failed to convert on any 3rd down opportunities in the game. Cincinnati scored first on a 1-yard TD run by Ickey Woods, following an Eric Thomas INT of a Jim Kelly pass. Buffalo answered quickly, as Kelly connected on all 4 of his passes in the following drive, finishing with a 9-yard scoring strike to Andre Reed and tying the game at 7-7. The Bills forced Cincinnati to punt and drove to the Bengals' 26-yard line, but Scott Norwood's 43-yard FG attempt sailed wide left. The Bengals took advantage of the break and scored on a Boomer Esiason 10-yard TD pass to James Brooks. The Bills pulled to within 4 at the half as Norwood connected on a 39-yard FG, following a 25 yard INT return by Mark Kelso. The second half belonged to Cincinnati as it held Buffalo to 2 first downs and forced the Bills to start all 5 of its drives inside the 23-yard line. The Bengals took advantage of a personal foul against Bills' DB Derrick Burroughs to set up Woods' second 1-yard TD. Buffalo launched one last drive, but it ended when David Fulcher picked off a 4th-down pass from Kelly in the end zone.

CLEVELAND BROWNS 34, BILLS 30

January 6, 1990 - Cleveland Stadium - (77,706)

LB Clay Matthews intercepted a QB Jim Kelly 11-yard pass on the 1-yard line with 9 seconds left in the game to preserve the victory for the Browns. In dramatic style, Buffalo began a comeback bid after K Matt Bahr kicked a 47-yard FG to give Cleveland a 34-24 lead with 6:50 left in the fourth quarter. Kelly began a string of 23 consecutive pass plays and closed the gap to 4 when he hit RB Thurman Thomas for a 3-yard TD. Buffalo opened the scoring when WR Andre Reed split the secondary for a 72-yard TD pass in the first quarter. A 45-yard Bahr FG coupled with a 52-yard WR Webster Slaughter bomb gave Cleveland the lead at 10-7. The Bills returned the favor when WR James Lofton hauled in a Kelly pass for a 33-yard TD. TE Ron Middleton gave Cleveland the halftime lead on a 3-yard pass from QB Bernie Kosar. Slaughter scored again on a 44-yard toss from Kosar to extend the Browns' lead to 24-14 early on the the third quarter. Thomas continued the seesaw battle with the first of his two TD receptions from Kelly on a 6-yard strike. But the Browns struck back quickly when KR Eric Metcalf took the ensuing kickoff 90 yards for the score. K Scott Norwood got the Bills within seven when he made a 30-yard attempt early in the final period.

AFC DIVISIONAL PLAYOFF

BILLS 44, Miami Dolphins 34

January 12, 1991 - Rich Stadium - (77,087)

Buffalo and Miami combined for a regulation-time NFL playoff record 78 points in a game dictated by inclement weather. QB Jim Kelly ran the no-huddle offense to a 13-3 first quarter lead in his first appearance since suffering a knee injury against the Giants on 12/15/90. Kelly hit WR Andre Reed on a 40-yard strike before Miami answered with a 49-yard Pete Stoyanovich FG. The next two Buffalo drives were capped off with FGs of 24 and 22 yards by K Scott Norwood. Buffalo and Miami then traded TDs in the second quarter snowfall when the Bills started the see-saw with a 5-yard TD scamper by RB Thurman Thomas. On Miami's next possession, QB Dan Marino connected on a 64-yard TD aerial to WR Mark Duper. But Kelly answered with a 13-yard TD pass to WR James Lofton. Miami then got a break when P Reggie Roby recovered a fumble at the Bills 47 and 7 plays later, Marino bootlegged in from 2 yards. In a 3rd quarter kickers' dual, Stoyanovich split the uprights from 22 yards out before Norwood drew claim to his 3rd FG of the day with a 28-yard shot. Miami drew to within a FG, 30-27, when Marino hit guard eligible Roy Foster with a 2-yard TD pass. But the Bills added 14 points to their 4th quarter lead when Thomas put the finishing touch on a 63-yard drive by strolling in from the 5. Buffalo wasted no time getting the ball back when LB Hal Garner forced a fumble on the ensuing KO return. Just 2 plays later, Reed grabbed a 23-yard Kelly pass for the Bills final tally. The Dolphins made the final score 44-34 with an 8-yard Marino-to-WR Tony Martin TD pass.

AFC CHAMPIONSHIP GAME

BILLS 51, LOS ANGELES RAIDERS 3

January 20, 1991 - Rich Stadium - (80,324)

The Bills won their first AFC Championship with one of the most dominating performances ever displayed in a title game. Buffalo set the tone for the day by driving 75 yards after the opening KO and scored the initial TD when QB Jim Kelly picked up a bad shotgun snap and scrambled to find WR James Lofton for a 13-yard pass. After Raiders K Jeff Jaeger cut the lead to 7-3, the Buffalo onslaught began. RB Thurman Thomas ran for a 12-yard TD before LB Darryl Talley returned an INT 27 yards to extend the early lead to 21-3. The Bills' no-huddle offense showcased its power by scoring 20 more points in the 2nd quarter on 2 TD runs by RB Kenneth Davis and an 8-yard TD pass from Kelly to Lofton. Buffalo posted an impressive 41-3 halftime advantage, establishing an NFL postseason record for most points in a first half. Davis added his 3rd TD in the 4th quarter, tying an NFL playoff record for the most TDs in a game, while K Scott Norwood hit a 39-yard FG to provide the final margin. Thomas rushed for a Bills playoff record 138 yards as Buffalo gained a total of 502 yards compared to L.A.'s 320.

January 27, 1991 - Tampa Stadium - (73,813)

The Bills and Giants made the Silver Anniversary Super Bowl a historic one as the Giants narrowly edged the Bills, 20-19, in a battle later dubbed, "A Game for the Ages." Buffalo loyalists watched their hopes of a world championship sail wide right as K Scott Norwood's 47-yard FG attempt just missed its mark with only 4 seconds remaining. The Giants opened the evening's scoring on a 28-yard FG by K Matt Bahr before Buffalo answered with a 23-yarder by Norwood. The AFC Champions took their first lead of the game, 10-3, when RB Don Smith smashed in from the one. DE Bruce Smith then extended the lead by recording a rare Super Bowl safety when he sacked Giants' QB Jeff Hostetler in the end zone. After holding the Buffalo offense 2 consecutive series, the Giants regained momentum on an 87-yard drive that ended with a 14-yard TD strike from Hostetler to WR Stephen Baker just before the half ended. After receiving the 2nd half KO, the NFC Champions utilized their ball control offense and kept the Bills defense on the field for over 9 minutes on their way to a 76-yard scoring drive that culminated with RB Ottis Anderson bullying his way into the end zone from the one. New York took a 17-12 lead, but the NFL's number one scoring machine struck back quickly behind the running of Thurman Thomas, who broke a number of tackles en route to a 31-yard TD scamper. On the next possession, Giants' K Matt Bahr split the uprights from 21 yards out with, what proved to be, the final score of the game. After the Bills defense forced the Giants to punt one last time, QB Jim Kelly and the offense started the final drive on their own 10-yard line with 2:16 left on the clock. Eight plays, 61 yards and 2:08 later, the Bills FG unit became the focus of attention for football fans around the world.

The Bills extended their lead early in the second half when WR James Lofton hauled in a 10-yard pass from Kelly to set the score at 24-0. The Chiefs finally got on the scoreboard late in the third quarter as a LB Lonnie Marts interception set up a drive, which ended with a 3-yard TD run by RB Barry Word. Buffalo put the game out of reach in the fourth quarter with two Norwood field goals and a 5-yard TD run by RB Kenneth Davis. AFC CHAMPIONSHIP

BILLS 10, Denver Broncos 7

January 12, 1992 - Rich Stadium - (80,272)

Led by a stingy defense, Buffalo returned to its second consecutive Super Bowl with a hard fought 10-7 win over the Denver Broncos. With the Buffalo offense in a dog-fight of their own, the Buffalo defense took the game into their own hands and registered the only Buffalo TD of the game. On 2nd down, deep in Denver territory, QB John Elway backed up to attempt a screen pass, reading the play, NT Jeff Wright ceased his charge and deflected the pass into the air. LB Carlton Bailey alertly grabbed the ball and returned it 11 yards for the game's first score. Buffalo moved out to a 10-0 lead after K Scott Norwood hit a 44-yard field goal mid-way through the fourth quarter. Denver then took control of the ball and marched 85 yards in 8 plays for a score, a 3-yard QB draw by Gary Kubiak. The Denver back-up quarterback took over after Elway left the game in the third quarter with a thigh bruise. The Broncos then recovered the ensuing onside kick, but on the next play from scrimmage, CB Kirby Jackson stripped RB Steve Sewell of the ball and scooped it up to halt the Denver comeback. On the day, Denver K David Treadwell missed three FGs, a 47-yarder wide left and two attempts, 42 and 37, both which hit the right upright.

January 26, 1992 - HHH Metrodome - (63,130)

Buffalo's hopes for a world championship were dashed for the second consecutive season with a 37-24 loss to the Washington Redskins. The red-hot Redskins dominated the Bills throughout the contest and built a 17-0 halftime lead. Washington then extended its lead to 24-0 on only the second play of the third quarter with a 2-yard run by Gerald Riggs. The score was set up by LB Kurt Gouveia's INT and return to the Buffalo 2-yard line. The Bills then mounted a comeback with a 21-yard field goal by K Scott Norwood and a 1-yard TD run by RB Thurman Thomas, but Washington put all of Buffalo's momentum aside by capturing the next three scores. Buffalo added two late TDs to set the final score at 37-24.

Buffalo scored four TDs in under seven minutes in the third quarter, and rallied from a 35-3 deficit to down the Oilers 41-38, marking the greatest comeback in NFL history. Houston jumped out to a 28-3 halftime lead on four QB Warren Moon TD passes. Moon, who played a virtual flawless half, completed 19 of 22 passes for 218 yards and 0 INTs. Buffalo's lone points of the half came on a first quarter K Steve Christie 36-yard FG. Houston made it 35-3 on the Bills' opening drive of the second half when SS Bubba McDowell intercepted a QB Frank Reich pass and raced 58 yards for the score. The Bills' amazing comeback began when RB Kenneth Davis scored from one yard out, and Christie recovered the ensuing onside kick at the Buffalo 48. Four plays later, Reich found WR Don Beebe on a 38-yard TD pass. The Bills' scoring flurry continued on their next possession when Reich hit WR Andre Reed with a 26-yard TD pass to pull Buffalo within 11, 35-24. On the first play of Houston's next possession, S Henry Jones picked off a Moon pass and returned it 15 yards to the Houston 23. On a 4th and 5 play from the 18 yard line, Reich found Reed once again in the endzone to make the score 35-31, Houston. The Bills took their first lead when Reich connected with Reed for the third time, this time from 17 yards out, to put Buffalo on top 38-35 with 3:08 left in regulation play. BILLS 29, MIAMI DOLPHINS 10

January 17, 1993 - Joe Robbie Stadium - (72,793)

Bills' K Steve Christie connected on five FGs, and QB Jim Kelly returned to the lineup to lead Buffalo to a 29-10 victory over Miami, and a berth in a third straight Super Bowl. The Bills got on the board first on a Christie 21-yard FG. The score was set up when DE Bruce Smith sacked Miami QB Dan Marino, forcing a fumble which LB Darryl Talley recovered. Dolphins' K Pete Stoyanovich knotted the score at 3-3 with a 51-yard FG to close out the first quarter scoring. Buffalo came right back, driving 64 yards on seven plays, capped off by a 17-yard TD pass from Kelly to RB Thurman Thomas. On the Dolphins next possession, Bills' DE Phil Hansen intercepted Marino on the Miami 24 yard line, setting up a 33-yard Christie FG to give the Bills a 13-3 halftime lead. On the second half kickoff, Buffalo DE Mark Pike stripped the ball from Mike Williams, and FB Carwell Gardner recovered on the Miami 24. Five plays later, RB Kenneth Davis scored on a two-yard run to put Buffalo on top, 20-3. Christie added another FG in the third quarter, and two more in the fourth to tie an NFL playoff record. Miami's only points of the half came on a 15-yard TD pass from Marino to WR Mark Duper. Kelly completed 17 of 24 passes for 177 yards and a TD, including a perfect seven of seven in the second half. RBs Thurman Thomas and Kenneth Davis combined for 157 rushing yards and 122 yards receiving as the Bills rolled to their third consecutive AFC Championship.

SUPER BOWL XXVII

COWBOYS 52, BILLS 17

January 31, 1993 - ROSE BOWL - (98,374)

Buffalo led 7-0, on a 2-yard TD run by RB Thurman Thomas five minutes into the game, until the first two of their record nine turnovers helped the Cowboys take the lead for good late in the opening quarter. First, Dallas safety James Washington intercepted a Jim Kelly pass and returned it 13 yards to the Bills' 47, setting up QB Troy Aikman's 2-yard TD pass to TE Jay Novacek with 1:36 remaining in the period. On the next play from scrimmage, Kelly was sacked by Charles Haley and fumbled at the Bills' two-yard line where the Cowboy's Jimmie Jones picked up the loose ball and ran two yards for a TD. Dallas, which recovered five fumbles and intercepted four passes, struck just as quickly late in the first half, when Aikman tossed 19- and 18-yard TD passes to Michael Irvin 15 seconds apart to give the Cowboys a 28-10 lead at intermission. Buffalo scored for the last time when backup quarterback Frank Reich, playing because Kelly was injured while attempting to pass midway through the second quarter, threw a 40-yard TD pass to Don Beebe on the final play of the third period to trim the deficit to 31-17. But Dallas put the game out of reach by scoring three times in a span of 2:33 of the fourth quarter. In one of the most memorable plays in Super Bowl lore, Cowboys DL Leon Lett returned a Reich fumble 64 yards to the Buffalo one-foot line before Beebe, who raced the length of the field, knocked the ball from his hand.

AFC DIVISIONAL PLAYOFFS **BILLS 29, RAIDERS 23** January 15, 1994 - RICH STADIUM - (61,923)

The Bills trailed, 17-6, late in the first half and, 23-22, late in the third quarter before QB Jim Kelly capped perhaps the most brilliant performance of his career with a 22-yard TD pass to WR Bill Brooks, his second of the game for the winning points 2:55 into the fourth quarter. The Bills overcame the losses of their leading receiver and best run-blocker, TE Pete Metzelaars, who left the game late in the third quarter with a dislocated finger, and RB Thurman Thomas, who left early in the fourth with a mild concussion. After a scoreless first quarter, the Raiders struck first with a K Jeff Jaeger 30-yard FG. Each team traded a pair of rushing TDs as Bills RB Kenneth Davis plunged in from 1 yard out and Thomas scored on an 8-yard run. Raiders RB Napoleon McCallum added two 1-yard TD runs in between Buffalo's two scores to give them a 17-13 lead at the intermission. Buffalo's defense was as effective as its offense in the final two quarters, as the Bills took control of the game in the second half by outscoring the Raiders, 16-6, and picking up 18 first downs to L.A.'s one, which came on a touchdown.

AFC CHAMPIONSHIP GAME

BILLS 30, CHIEFS 13

January 23, 1994 - RICH STADIUM - (76,642)

The Buffalo Bills made history by becoming the only team ever to reach four consecutive Super Bowls with a solid, 30-13, victory over the Chiefs in the AFC Championship game. RB Thurman Thomas set a franchise record with 189 rushing yards on 33 carries and a club-record three TDs. After the teams each traded punts twice, the Bills finally got on the board midway through the first quarter with Thomas' 12-yard TD up the middle. Chiefs QB Joe Montana then led the Chiefs on a 10-play, 51-yard drive all the way to the Buffalo 13. The Chiefs, however, had to settle for a 31-yard FG. The Chiefs added a second 31-yard FG less than two minutes later after Bills KR Russell Copeland fumbled the ensuing kickoff. Thomas' second TD and two K Steve Christie FGs helped stake the Bills to a 20-6 halftime lead. RB Marcus Allen brought the Chiefs to within a touchdown late in the third quarter with a 1-yard TD run, however, Christie and Thomas combined for another 10 points to close the scoring at 30-13 and send the Bills to Atlanta.

COWBOYS 30, BILLS 13

January 30, 1994 - GEORGIA DOME - (72,817)

KR Kevin Williams returned the opening kickoff 50 yards, however, Dallas had to settle with a 41-yard K Eddie Murray FG. Buffalo kicker Steve Christie tied the game less than three minutes later with a Super Bowl record 54-yard FG. On the Bills' first play of their next possession, RB Thurman Thomas fumbled a shovel pass from QB Jim Kelly at midfield. Once again, however, the Cowboys had to settle for a FG. The Bills then responded with a 17-play, 80-yard drive that ended with a 4-yard TD run by Thomas to go ahead, 10-6. The drive had come to a halt when the Bills had a fourth-and-three, however, Dallas was penalized five yards for running into P Chris Mohr. CB Nate Odomes intercepted a QB Troy Aikman pass with a little over a minute remaining in the first half, and the Bills took advantage by converting on another Christie FG as time expired, giving Buffalo a 13-6 halftime lead. Less than a minute into the third quarter, momentum swung in the Cowboy's direction when Thomas fumbled and reserve safety James Washington returned the ball 46 yards for a TD, tying the game at 13. Buffalo's offense was shut down for the remainder of the contest, while game MVP RB Emmitt Smith ran for two TDs, a 15-yarder in the third quarter and a 1-yard plunge in the fourth, to put the game away. Murray added a late FG to close out the scoring, 30-13, and earn the Cowboys their second-straight Super Bowl victory over Buffalo.

AFC WILD CARD PLAYOFF BILLS 37, MIAMI DOLPHINS 22

December 30, 1995 - Rich Stadium-[73,103]

The Bills improved to 9-0 at Rich Stadium in the postseason with their impressive 37-22 victory over their AFC East foe the Miami Dolphins in the first round of the AFC playoffs. The Bills jumped out to an early 7-0 lead on a seven play, 58-yard drive that resulted in a one-yard TD run by RB Thurman Thomas, who ran his consecutive postseason games with a TD streak to six games. Buffalo would never look back as they forced Miami into three downs and out before K Steve Christie added his first of three FGs to make the score 10-0. The Bills defense stepped up at the start of the second quarter when Miami attempted a fourth-and-seven play from the Buffalo 32-yard line and were stopped. The Bills took over on downs and needed only four plays to march down the field for the score on RB Darick Holmes' 21-yard run into the end zone. The score was set up by a vintage 32-yard burst by RB Thurman Thomas to the Dolphins 21-yard line. Thomas, who had his sixth career 100-yard rushing postseason game, would finish the day with 158 yards on 25 carries and the Bills' 341 rushing yards would be the second highest total in NFL postseason history. Buffalo crossed the goal line again on their next possession when QB Jim Kelly's perfect 37-yard touch pass fell into the arms of WR Steve Tasker in the end zone to make the score 24-0 at halftime. Tasker would finish the first half with 108 yards receiving, the first 100-yard receiving game of his career. The scoring drive was set up by LB Marlo Perry's first career interception at the Bills' 38. Buffalo added three more points to their lead late in the third quarter when Christie added a 23-yard FG to push the lead to 27-0. Miami finally got on the board on their first possession of the fourth quarter when QB Dan Marino hit WR OJ McDuffie on a five-yard TD pass. The Bills punched in their final TD of the afternoon on RB Tim Tindale's career-long 44-yard burst off the left side for the score. The Dolphins rebounded with another score before Christie added a 44-yard FG, the team's final points of the day. The Dolphins added one final TD late in the game to provide for the final margin of victory, 37-22.

AFC DIVISIONAL PLAYOFF

STEELERS 40, BILLS 21

January 6, 1996 - Three Rivers Stadium-[59,072]

The Bills' Super Bowl dream came to a close on the frozen surface of Three Rivers Stadium with a 40-21 loss to the Pittsburgh Steelers in the second round of the AFC playoffs. The Bills, playing without DE Bruce Smith who remained in Buffalo with the flu, quickly found themselves trailing 20-0 with under five minutes to play in the first half. Instead of packing it in, the Bills persevered and kept the game close by adding a one-yard RB Thurman Thomas TD plunge with under a minute remaining in the first half to close the gap to 20-7. For Thomas it was his seventh consecutive postseason game with a TD, second highest streak in NFL history. The Steelers quickly regrouped to add a FG which made the score 23-7 at halftime. Pittsburgh added another three-pointer at the start of the third quarter before the Bills offense would get jump-started by a 40-yard run on a reverse by WR Steve Tasker. Two plays later backup QB Alex Van Pelt, in for a shaken QB Jim Kelly, hit TE Tony Cline on a two-yard TD pass to close the gap to 26-14. It was Cline's first-career touchdown. On their first possession of the final stanza the Bills drove 36 yards in six plays which was capped off by a nine yard pass from Kelly, who returned in the middle of the drive, to Thomas to make the score 26-21. For Thomas, it was his 18th postseason TD, making him the NFL's career postseason TD leader at the time. Pittsburgh took their ensuing possession and held onto the ball for 5:07 in driving 76 yards for the game-clinching TD to make the score 33-21. The Steelers added one more score with under two minutes to play to provide the final margin, 40-21.

AFC WILD CARD PLAYOFF

Jacksonville Jaguars 30, Bills 27

December 28, 1996 - Rich Stadium - (70,213)

Buffalo dropped its first playoff game ever at Rich Stadium with a 30-27 defeat to the Jacksonville Jaguars. The Bills got off to a quick start when Jim Jeffcoat nearly sacked Mark Brunell for a safety, resulting in an intentional grounding penalty and subsequent punt from the back of the endzone. With Thurman Thomas getting the call on five consecutive plays, the Bills capped a six-play, 43-yard drive with Jim Kelly's seven-yard pass to a wide-open Thomas in the right flat. The TD was Thomas' 19th in the playoffs, establishing a new NFL postseason record. Midway through the first quarter Jacksonville's Clyde Simmons intercepted a Kelly shovel pass and raced 20 yards to even the score at 7-7. The Bills reclaimed the lead on their next possession when they marched 68 yards in 10 plays, the score coming when Thomas went over the right side from two yards out. Thomas' second score of the game made him the NFL's leading scorer in postseason history with 120 points (a record Emmitt Smith tied later in the afternoon), eclipsing the old mark of 115 points held by George Blanda. Jacksonville closed the first quarter's scoring at 14-10 when Mike Hollis connected from 27 yards out. Neither team scored again until Natrone Means rumbled 30 yards for his lone score of the game with under 4:00 to play in the half. Buffalo answered once again to tie the score at 17 when Steve Christie kicked a 33-yarder at the two minute mark. Christie opened the third quarter scoring on the Bills' initial drive with his second FG of the day, this one from 47 yards out. After the Jaguars knotted the score at 20 apiece on Hollis' 24-yard FG, Jeff Burris intercepted a pass that was tipped by David White and went 38 yards for Buffalo's final points of the game. Jacksonville evened the game on a Brunell-to-Jimmy Smith two-yard scoring pass and regained possession when they recovered a fumble at their own 42 yard line. Hollis' 45-yard FG bounced off the right upright before going through, giving Jacksonville a 30-27 lead with just over 3:00 remaining. Todd Collins replaced a shaken up Jim Kelly, but was unable to muster a comeback for the Bills.

WILD CARD GAME

Dolphins 24, BILLS 17

January 2, 1999 – Pro Player Stadium – (72,698)

The Dolphins earned the right to host the first-round playoff game thanks to a 6-point edge in net points in divisional games, the NFL's 5th tie-breaker. As it turned out, the game itself was just as tight and was not decided until the Bills turned it over after advancing to the Miami 5-yard line with 9 seconds to play. The contest not only ended in thrilling fashion but also began that way. On the game's first play, Doug Flutie hooked up with Eric Moulds on a 65-yard pass but Moulds fumbled at the end of the play, giving it to the Dolphins at their 29. From there, Miami advanced to Buffalo's 14 before Olindo Mare's 31-yard FG gave the Dolphins the early lead. They extended it to 6-0 on their next series with another Mare FG. The Bills came back quickly as a 37-yard Flutie-to-Moulds pass set-up a 1-yard Thurman Thomas TD run to put Buffalo up 7-6. Just before halftime, Buffalo reached the Miami 6 but a Flutie INT halted that drive. Midway through the 3rd, Miami went back on top on a 3-yard Karim Abdul-Jabbar TD run and successful 2-point try. The Bills answered on their next drive and tied the score at 14 on a 32-yard scoring pass from Flutie to Moulds. After leading the AFC in receiving yards during the regular season, Moulds further established himself as one of the NFL's premier receivers and would finish the afternoon with an NFL playoff record 240 yards on 9 catches. Miami's next two drives resulted in scores – a 23-yard Mare FG and an 11-yard TD pass from Dan Marino to Lamar Thomas – and the Bills found themselves trailing by 10 with just 3:42 remaining. Buffalo advanced to the Miami 10 by the 2:00 warning when Andre Reed seemingly scored on a pass from Flutie. Officials however ruled Reed down at the 1 and then ejected him for protesting the call. Thanks to the penalty, the Bills were forced to settle for a 33-yard Steve Christie FG and hope for an onside kick recovery. Hope was alive when Kurt Schulz recovered the kick, giving the Bills the ball back at their own 31 with 1:30 left. They moved to the Miami 5 with :17 left but the drive ended when Trace Armstrong sacked Flutie, forcing the Bills 4th lost fumble of the day and Miami recovered at the 3.

AFC WILD CARD PLAYOFF
Titans 22, BILLS 16

January 8, 2000 – Adelphia Coliseum – [66,782]

The 11-5 Bills traveled to Nashville for an AFC Wild Card match-up with the 13-3 Titans that fittingly had all the elements of a country western ballad – adversity, exhilaration, frustrating run-ins with lawmen, and in the end, heartbreak. Steve Christie's 41-yard FG with :16 left appeared to give Buffalo the upset victory but on the ensuing kickoff, Frank Wycheck fired a suspicious looking cross-field lateral to Kevin Dyson that he returned 75 yards for the game-winning TD. The legality of the TD was confirmed following a video replay review by referee Phil Luckett. The improbable and bizarre ending ensured the game's place as one of the most memorable in NFL history.

After a scoreless first quarter, the Titans got on the board first when DE Jevon Kearse forced a Rob Johnson fumble out of the back of the end zone, resulting in a safety. Following the free kick, the Titans capped a 5-play, 28-yard drive with a 1-yard Steve McNair TD run. Momentum appeared to shift Buffalo's way later in the quarter when Phil Hansen forced an Eddie George fumble and Kurt Schulz recovered at the Buffalo 42. Three plays later on 3rd-and-10, Johnson connected with Peerless Price on a 27-yard completion to the Titans 31 with 1:53 to play but field judge Al Jury ruled that Price bobbled the ball though TV replays indicated otherwise. Following the Buffalo punt, Tennessee faced a 3rd-and-10 when a McNair run was stopped a yard short of the first down. The Titans were lined up to punt it back to the Bills with :38 left when the replay booth intervened. After a delay of 5:20, Luckett changed the spot of the ball to give the Titans a first down. They then advanced to the Buffalo 27 before Al DelGreco missed a 45-yard FG as the half expired. However, officials called a rare defensive holding penalty on the Bills and the ensuing 40-yarder on the half's final play gave Tennessee a 12-0 lead at intermission.

Buffalo opened the 2nd half with a 44-yard Antowain Smith run on the first play from scrimmage and three plays later, Smith scored on a 4-yard run to pull the Bills to within 12-7. That score remained until early in the 4th when Smith capped a 9-play, 65-yard drive with a 1-yard TD run and the Bills led 13-12 after an unsuccessful 2-point try. Tennessee then re-claimed the lead with 1:48 to play on DelGreco's 26-yard FG. Down 15-13, the Bills took over at their own 39 with 1:41 to play, no timeouts, and playing with a patchwork offensive line due to injuries. Johnson then led the team on a game-winning march to the Tennessee 23, thanks to a 14-yard pass to Price, a 12-yard run by Jonathan Linton and a 9-yard pass to Price. On the play before the final completion to Price, Johnson lost his shoe and was unable to replace it because the clock was ticking down but still executed the crucial play shoeless. Had Christie's field goal held up as the game-winner, the Johnson-led drive would go down as one of the most impressive in Bills lore. It was soon overshadowed, however, by the Titan return.

EVOLUTION OF BILLS' HELMET

1960:	silver helmet (blue numbers on side)
1961 - 73:	white helmet, red standing buffalo
1974 - 83:	white helmet, blue and red charging buffalo
1984 - 86:	red helmet, charging buffalo, blue face mask
1987 - 98:	red helmet, charging buffalo, white face mask

HOW THE BILLS GOT THEIR NAME

Following the 1946 season, in an effort to generate more fan interest and distinguish the football team from the city's minor league baseball and hockey teams, which also bore the name "Bisons," the team ran a contest to select a new name. Over 4,500 entries were submitted, and "the Bills" won out over "Bullets," "Nickels" and "Blue Devils." Several contestants suggested the winning name, but James F. Dyson was named the winner of the \$500 prize based on his essay comparing the team to a band of "Buffalo Bills." He wrote that, while the legendary Indian Scout William "Buffalo Bill" Cody helped trailblaze the American Frontier, the football team (owned by the president of Frontier Oil) was opening a new frontier in Buffalo sports.

**BILLS GREATEST COMEBACKS****REGULAR SEASON COMEBACKS FROM DEFICITS
GREATER THAN 20**

September 21, 1997, Rich Stadium

BUFFALO 37, Indianapolis 35

The Bills mounted the second-largest comeback in NFL regular season history when they overturned a 26-0 deficit. Rookie RB Antowain Smith capped off Buffalo's scoring frenzy when he crashed through the line and scampered 54 yards. He had scored the go-ahead TD (30-29) on a one-yard plunge on the previous series.

October 25, 1987, Joe Robbie Stadium

BUFFALO 34, Miami 31

The Bills fell behind 21-0 but battled back in the second half to set the stage for kicker Scott Norwood's 27-yard field goal in overtime.

THE HOUSTON COMEBACK IN THE PLAYOFFS

January 3, 1993, Rich Stadium

BUFFALO 41, Houston 38 (OT)

QB Frank Reich started for an injured Jim Kelly and brought Buffalo back from a 32-point 3rd quarter deficit in the AFC Wild Card Playoff to record the greatest comeback in NFL history. Four of the Bills' 5 TDs came on Reich passes (3 to WR Andre Reed) and K Stevie Christie kicked the 32-yard winning FG in OT.

**BUFFALO BILLS FIELDHOUSE**

The Buffalo Bills Fieldhouse redefines the state of the art for indoor practice facilities. This is the only facility in the NFL that can accommodate full indoor special teams practice. The Buffalo Bills schedule daily practices during the fall in attentive surroundings when inclement weather outdoors will not permit such an environment. Bills coaches and players are given the opportunity to practice indoors during the second half of the season when weather conditions have often made it difficult in past years to concentrate on implementing the game plan. Construction of the facility began in March of 1995 and was completed in September of the same year. As one of the finest indoor practice facilities in the National Football League, the building also houses the Buffalo Bills Experience, a fan interactive area patterned after the NFL Experience, prior to each Buffalo home game.

BUFFALO BILLS SUMMER HOME

The 2000 training camp will be a historic one for the Buffalo Bills, as it will mark the team's first at St. John Fisher College just outside of Rochester, NY.

A private, independent college of arts, science, and business, Fisher was founded in 1948 and today has an enrollment of 1,600 full-time and 950 part-time students. The campus is situated on 136 park-like acres six miles southeast of the city of Rochester in the suburb of Pittsford.

The school has welcomed the Bills with open arms. Fisher recently completed a state of the art athletic annex. That building includes a new weight room and locker rooms for the team's use during training camp and for general college use the remainder of the year. St. John Fisher College is a Division III member of the NCAA, the Eastern Collegiate Athletic Conference, the NYSWCAA, and the Empire Eight. The school features 14 varsity teams for men and women.

The school's namesake was a Cardinal of the Catholic Church in 16th Century England. He was put to death in 1535 when he refused to accept King Henry VIII as the Head of the Church of England. As a Bishop, Fisher's church was in Rochester, England and after World War II, the diocese of Rochester, NY adopted St. John Fisher as its patron saint. When the college was founded, St. John Fisher College was selected as the name to honor the scholarly Bishop of Rochester, England.

Miller was behind the mike for the Bills' first game in 1960 and called the action until 1971. He returned to the broadcast booth after an eight-year hiatus and has been the "voice of the Bills" since 1979. In addition to working with the Bills, Miller was also the voice of the NBA Buffalo Braves, the Buffalo Stallions of the MISL and he also did a stint as the play-by-play man for Niagara University basketball.

Teamed again with Miller for his 13th season is John Murphy, who served as the Bills' color analyst from 1984-89, before rejoining the broadcast in 1994. RALPH WILSON STADIUM RENOVATIONS

Fans attending games at Ralph Wilson Stadium are treated to one of the finest open-air venues and home to the best game-day experience in the National Football League. This is due in large part to the recent renovations as part of a \$63 million project undertaken following the 1998 season. Construction began on January 6, 1999 and a year-long project was condensed into a seven-month schedule. Its completion resulted from an outstanding overall effort that saw as many as 600 workers at a time contribute to the project.

Listed below are some of the major renovations that took place at Ralph Wilson Stadium:

DUGOUT SUITES - Seventy-six dugout suites have been built atop the lower bowl and encircle the stadium. At 40 rows from field level, they are among the closest to the action in the NFL. These suites got their name because they were literally "dug out" from a cavernous space that existed between the lower bowl stands and the lower concourse area. The 76 dugout suites are in addition to the 88 existing Club Suites that surround the stadium. Situated just 61 rows from the field, these suites also allow fans to enjoy the game in a comfortable, climate-controlled atmosphere.

RED ZONE AND GOAL LINE CLUB SEATS - Two new enclosed club sections comprised of 500 seats each were placed above the existing sections in the tunnel end zone, doubling the size of the areas from 1,000 to 2,000 seats. Benefits enjoyed by these ticket holders include in-seat food and beverage service, private restrooms, and television monitors for close-up replays and highlights.

SIDELINE CLUB SEATS - A total of 6,800 seats were replaced with revolutionary contoured heated seats, the first of their kind in North America. Ticket holders in these sections have access to a new club-level concourse featuring an upscale lounge and restaurant area that will be restricted to existing luxury box and club seat ticket holders. The seats are divided into three sections and named after Buffalo legends Jim Kelly, Paul Maguire, and Van Miller.

RESTROOM FACILITIES - Four three-tiered restroom towers were built with two towers on each side of the stadium. The four towers increased the stadium's restroom facilities by roughly 35%. The top three rows of the upper deck were removed to make room for the towers.

SOUND SYSTEM: A brand new, state-of-the-art crossfire hybrid dual cluster sound system was installed. This system is mounted on top of two of the new restroom towers and the sound is sent across the stadium from sideline to sideline. This process helps to eliminate echo, provides better quality of music sound and more intelligible voice tonality. Brand new control room equipment was installed including a Lyntec signal processor which automatically adjusts the volume of the new system based on crowd noise. Today, the stadium will feature over 100,000 watts of power.

OTHER: In addition to a new sound system, the stadium lighting was also upgraded. Also aluminum seats in the lower bowl were replaced with state-of-the-art, wider plastic chairs for maximum comfort.

CAPACITY: As a result of these changes, stadium capacity was reduced from 80,024 to 75,339.

NEW IN 2000: A brand-new 79,000-square-foot training center and team operations facility has been attached to the north side of the Buffalo Bills Fieldhouse and includes administrative offices, a new locker room, and an athletic training and rehabilitation area.

HISTORY OF THE HOME FIELD

When the Buffalo Bills began play in 1960, their home venue was War Memorial Stadium. Built in 1936, the "Rockpile" was a 36,500-seat facility located in Buffalo at Jefferson and Best streets. In 1965, the open air, natural grass facility, expanded by adding an upper deck to increase capacity to 46,206.

Years of extreme weather and the popularity of the Bills led to the creation of a larger facility. A 113-acre tract of land approximately 30 minutes from downtown Buffalo was selected and groundbreaking ceremonies were conducted in Orchard Park on April 4, 1972 for the new football complex. To form the lower level of the stadium, more than 370,000 feet of shale were removed - putting the field 50 feet below ground level. Construction was completed in slightly over 14 months and on August 17, 1973, the stadium was officially opened as the Bills played host to the Washington Redskins.

Since the stadium's original construction, the facility has seen many changes. In 1984, the stadium's capacity was increased to 80,290 with the addition of 16 executive suites on the top floor of the administration building. Eight years later, 24 more suites were constructed in the west end zone and shared restrooms were added to the original suites. The Red Zone and Goal Line indoor clubs were added in 1994, offering fans a comfortable atmosphere as each of the two blocks of 500 seats are enclosed in glass. Also in 1994, 14 new suites were added, bringing the grand total to 88 luxury boxes. The 1994 expansion project also brought the team the largest JumboTron in the United States. This mammoth videoboard measures 31.5 feet high by 41.5 feet wide. Some of the capabilities of the videoboard include full-color instant replays, live action shots, crowd shots, out-of-town highlights, animations and various in-stadium shots from cameras exclusive to videoboard usage. In addition, a black and white Daktronics Scoreboard matrix system designed to complement the Sony JumboTron was installed.

The most dramatic changes to the stadium took place prior to the 1999 season with the completion of a \$63 million renovation project. The project, which is detailed on the previous page, gives the Bills and their fans one of the finest stadiums in professional sports.
